ANNUAL SERMON: L. G. GREEN

PAUL CARTER AND LUCILLE BURRESS KESTERSON

The Wilmington Baptist Association dedicates the 1981 Minutes to the Reverend Paul Carter and Lucille Burress Kesterson for the outstanding leadership Paul has provided this association and for the support Lucille has given Paul as he has fulfilled God's call as Director of Missions for the past decade.

Paul Kesterson, a native of Anderson County, Tennessee, is a graduate of Bell County High School, Pineville, Kentucky; Carson Newman College, Jefferson City, Tennessee; Southeastern Baptist Theological Seminary, Wake Forest, North Carolina. He served eleven years as pastor of churches in Tennessee and North Carolina. Reverend Kesterson came to Wilmington after serving four years as Director of the Department of Christian Education, District of Columbia Baptist Convention, Washington, D. C. Before that he served as Associate Secretary of the Sunday School Department, Baptist State Convention of North Carolina.

Reverend Kesterson came to Wilmington as Director of Missions October, 1971. Through his leadership, the present associational center located at 610 South College Road, Wilmington, N. C. was constructed. Paul was instrumental in establishing Resort Ministry in the area. During his time of leadership two churches, Greenfield and Scotts Hill, were organized. United Christian Campus Ministry at UNC-W with offices located in the associational building, called the first full-time Campus Minister during Paul's leadership. Property was purchased on Wellington Avenue in Wilmington which will someday be the location of a Children's Home Emergency Care Center. Mr. Kesterson brought the first Christian Social Ministries Director to Wilmington as well as increasing the office staff to two full-time secretaries. Paul's last year as Director of Missions proved a need for an Associate Director in the area of Christian Education and this position was filled. During his almost ten years, the Wilmington Baptist Association grew in membership from 19,511 to 23,394, and in associational missions giving from $27,781 to $128,673. Paul's hobby is photography. With this hobby, he recorded the history of the association on film which will prove to be invaluable in the years to come.

Mr. Kesterson loves the people of Wilmington Baptist Association and Christ so much that he has given almost ten years of his life challenging us to move forward for the cause of Christ in reaching the people in our area.

Paul Kesterson has officially retired as Director of Missions, but unofficially he is still a volunteer worker in the association that he loves so dearly. Paul and Lucille still reside in the home they bought ten years ago. It is located at 710 George Trask Drive, Wilmington, N. C. The Kestersons have one son, David, who lives in Raleigh, N. C. with his wife Katherine, and their two children, Erin and Matthew.

Paul and Lucille Kesterson will always be loved by the people of Wilmington Baptist Association.

Lucille Burress and Reverend Paul Carter Kesterson

"An Attractive Christian"

This is the year of the church. Christians are supposed to be doing something. It is a time of renewed zeal. The healing of the man in Acts chapter 4 resulted in opposition. The power of God was manifested. We must be magnetic Christians. How can we draw people to the Lord? It is time for Christians to get back to serving Jesus Christ.

What happens as a result of one becoming a Christian?

(1) There is supposed to be a change in our lives. We are to be different. People are to take notice. People changed because of Jesus-Nicodemus, the woman at the well, the Gadarean demoniac. The world will become stirred up when they see the change in our lives.

(2) Change in a Christian's life results in affecting other's lives. When the Gospel is preached, people get saved.

(3) Boldness happens in our lives. It is time to preach the Gospel. The church then becomes a burning bush. People see something different in our lives.

(4) We are to hold Jesus up as the lamp of our lives. All we have to be is a committed Christian.

(5) We are to magnify the name of Jesus. We must learn to walk, talk, live, like Jesus. We are to love, honor sacrificial giving, maybe live meagerly, make pillows out of rocks, and preach the Gospel at each opportunity.

We must learn to have an attitude of love and long suffering, a forgiving spirit, be filled by the Holy Spirit. We will be concerned with numbers as numbers represent souls who have come to a saving knowledge of Jesus Christ. We have the privilege of being called Christian, called sons of God, and having an eternal home in heaven.

Our responsibility is to share the Gospel with others.
Our purpose is to tell others of Jesus Christ.
Jesus made a difference, will you and I?

Mr. Bobby R. Stafford as Director of Missions for the Wilmington Baptist Association; I further recommend that the salary, benefit and expense package be adopted as presented, and that the job description in hand be recognized as the instrument of agreement between Mr. Stafford and the Wilmington Baptist Association; Mr. Moderator, I move the adoption of this nomination and recommendation." Seconded, discussion as to voting. Voting will be by ballot.
Comment by Mr. Finley during discussion: "One word that I did not include in my recommendation, Brother Moderator, that should have been included in the motion, was that this be considered effective October 1, 1981."
Members of the Search Committee and clerk served as auditors to count the vote.
(2) Hardie Ferguson, Ch., Constitution and By Laws Committee
He reviewed the action of the previous night. (See item 13, (1), Monday Session).
A motion was made (by an unidentified messenger) to approve the constitutional changes as presented by deleting references to the September Annual meeting date. This was seconded and approved.
(3) Horace Jackson, Ch., Budget and Finance Committee
A consideration of the 13 month budget was noted due to changing the Association year to begin Nov. 1. In recommending the budget he suggested the position of Associate Director be deleted from the budget, reducing it by $26,417, plus an additional month needed to have a budget for 13 months, would make the proposed budget $163,580 less $11,322 from the Baptist State Convention, making the budget amount to $152,258.
"Brother Moderator, I would like to make a motion that the proposed budget as corrected be adopted." Seconded and approved.

2. That we express our appreciation to the Program Committee for the arrangement of our program;

5. And, further, that we dedicate this year's minutes to the Reverend Paul Kesterson, for his inspiring leadership as Director of Missions for nine and one-half years, for his Shepherd love for our pastors, and for the excellent growth of our Association during his tenure of office.

Suggestion: That a picture of Brother Kesterson and his wife be inserted in this dedicatorial honorium in loving appreciation for her faithful support of her companion in his associational ministry.

Respectfully submitted,

Reverend L. D. Munn, Chairman
Mr. Glenn Sellers
Miss Mary Henri Lennon (absentee)

15. Annual Sermon - Aubrey Jones

"What We're All About"

We praise God for what He has done in these days, and for what He has done in these moments and these hours. I think some very important things have been done.

I would like to leave us with a thought, a thought of the Master as He gave us what I believe to be the key pivotal point of what we are all about and everything we've said and done here tonight. All that we've sung so beautifully about, and all we have been a part of through our Cooperative Program, through the schools and through these beautiful flags, the

tremendous music, the dedication of these who have just thrilled our hearts and lifted our souls. I think this is what it is all about, and I would present this as the annual sermon of 1981 - from Luke's Gospel, chapter 19, verse 10:

"FOR THE SON OF MAN IS COME TO SEEK AND TO SAVE THAT WHICH WAS LOST"

16. James Finley, Ch., Director of Missions Search Committee

"I am happy to announce to the Association the election of Mr. Stafford as our new Director of Missions. The constitution states that the Director must be elected by at least 75% of those voting, and when you think about 50 plus churches and thousands of members, to know that every person in this place, save one, voted affirmatively for Mr. Stafford, it confirms the leadership that we have felt from God. God bless you, Bobby."

Horace Jackson: "Brother Moderator, now that we have been obedient to the Constitution, I move that we elect him 100%."

Moderator: "How about it? Would you like to stand?" "Thank you so much and be seated for just a moment. We won't be but just another minute."

Mr. Finley reminded us of our debt owed to God for Mr. Kesterson's leadership to the Association for a decade. He was asked to lead in a prayer of dedication for Mr. Stafford.

Mr. Kesterson spoke congratulations to Mr. and Mrs. Stafford, and also to the Association for selecting Mr. Stafford.

Prayer: "Lord God, Thou hast created us that Thou mayest be pleased in us, and I know that You are constantly directing us and want us to do the things you can bless us in doing. Thank You for Your goodness and mercy. Thank You for Your love. Thank You for the presence and power of Your Spirit in the past and on this night. Thank Thee for this people who have a great heart, and whose mind and spirit are turned toward Thee.

Lord God, I thank You for Bobby and Sylvia Stafford, and for their daughters, now bless Bobby as he continues to walk among us. Give him strength, increase his wisdom. Grant that his spirit will always be compassionate. Fill his heart with love and grant to him an extra measure of patience and understanding, and help us to work with him and to love him and in doing so let us love Thee. Father, I commit him and his into Thy care, and thank Thee now for all that Thou wilt do through this Association of churches in the days of his leadership. In Jesus Name, Amen."

17. The Moderator, James Parson, transfered the chair to the incoming Moderator, A. R. Potter.
18. A request from the body to have the winning flag brought to the platform was noted.
19. Mr. Potter appealed to the body to remember the Association, Mr. Stafford, his wife, the leadership of the Association in prayer. He challenged the people to be a witness for Christ wherever they go.
20. Benediction - Mr. A. R. Potter.

SEMINARY EXTENSION

The Wilmington Baptist Study Center provided ministry training opportunities for pastors and church leaders this past year. The Wilmington Center is affiliated with the Seminary Extension Department of the Southern Baptist Convention.

There were three courses taught with a total enrollment of 69. Each class met two hours per week for nine weeks. The teachers were: Ruth Murray, Carol Warren, and Rev. James White. Two classes met at the Associational office and one at Riley's Creek Baptist Church.

Courses to be scheduled this fall include Church Music, The Book of Jeremiah (the 1982 January Bible Study), and Old Testament Survey I.

Respectfully submitted,

Benjamin S. Gault, Jr., Director

MISSIONS AND CHURCH EXTENSION COMMITTEE

During the associational year of 1980-1981 the Missions and Church Extension Committee participated in a sad event in the closing of the doors of Spradlin Memorial Baptist Church. By a vote of the church, all assets and liabilities and properties were deeded to the Wilmington Baptist Association.

But even in the sadness of that event, a bright future for that church or area could be in store. First Baptist Church of Wilmington accepted the responsibility of seeing if they could possibly have a mission in the same location. First Baptist is now in the process of checking out the feasibility of this. As an association, we should remember this church and their efforts in prayer.

Let me say thank you to the faithful members of the Associational Missions Committee and to you in the Wilmington Baptist Association for your prayers and continued support. May God bless all our lives by using us in His service.

Respectfully submitted,

Richard J. Phillips, Chairman

YOUTH COMMITTEE

The Youth Ministry for the year 1980-1981 was event filled. Our goals were to bring the youth of our city into a relationship with God and also to strengthen their commitment to their church. The Spring Retreat was held at Ft. Caswell. Our program consisted of singing duo Mark and Dan who led us in our Bible study on prayer using the 2959 Prayer Book. Over 200 young people and adults attended and left Caswell in oneness of Christ.

The Summer Youth Program consisted of three Super Saturday Night Concerts. Two were in Greenfield Park and one was at Pine Valley Baptist Church. Our celebrity performers were the singing teams of Mark and Dan, Rick and Dean, the Covenant Players, a Christian Drama group, and nationally known Pat Terry.

We had good participation from a great many of our local churches, but I feel that many of the youth could be spiritually benefited if their adult leaders would bring an organized group to the Associational Youth Activities that are planned just for them. Pastors, please encourage your youth workers to participate in future Wilmington Baptist Associational Youth Activities.

WOMAN'S MISSIONARY UNION

We have had a full and rewarding year in our WMU work in our association.

For the second year our theme has been "Life Changing Commitments" and we are convinced more than ever that if Southern Baptists are to reach the Bold Mission Goal of giving every person in the world the opportunity to hear the gospel, nothing less than life changing commitments will do the job.

In October we had the opportunity of hearing Mrs. Christine Gregory, President of Southern Baptist Woman's Missionary Union as she led in a Spiritual Development Retreat at Winter Park Baptist Church.

In November we had an enlargement campaign enrolling 220 new members - one of the 14 associations in the state reaching our goal.

Each age level organization has worked to give new meaning to missions. We had home, state, and Foreign Missions studies. We studied our own Wilmington Association and found out how it really works - a group of churches in fellowship on mission for the Lord here in our own Wilmington area.

Our 70th Annual Session was held at Scott's Hill Church and the program was dedicated in honor of Reverend Paul Kesterson (retired Director of Missions Wilmington Association). Sharing with us in the interpretation of our theme "Take My Life" were Larry Botts, Mr. and Mrs. Don Hayes, Mrs. Lib McCarthy, Mrs. Marsha Cook, and Miss Bobby Jean Murphy, black consultant with the Home Mission Board.

We are proud to have one of our own, Mrs. Norma Lewis, elected to the office of First Vice President of North Carolina Woman's Missionary Union.

"Commit thy way unto the Lord, trust also in him, and he shall bring it to pass" Psalm 37:5

THIS WE BELIEVE!!

THE ASSOCIATIONAL CHURCH MEDIA CENTER/LIBRARY ORGANIZATION

TACMO has four regular meetings during the year plus two during the Key Leadership Conferences. Of the thirty-eight churches reporting media center/libraries, sixteen were represented.

The October 1980 meeting was at Temple Baptist Church which has a very efficient director. On the staff are three certified school librarians. These people are very supportive of the media center/library ministry at Temple and the associational organization.

The January 1981 meeting was with Sunset Park Baptist Church. After the building program, the media center/library was able to move into a suite of rooms. This makes it possible to have a more effective ministry.

The meeting in April was at Long Creek Baptist Church which had recently moved into a new building. The media center/library is in an excellent location and is growing steadily.

The Key Leadership Conferences at Calvary Baptist Church and Burgaw Baptist Church were attended by several who had not been before.

The July meeting was with East Wilmington Baptist Church, one of the newer media center/libraries. It is good to see that it is growing also.

If your church is one of the seventeen without a media center/library ministry, contact the associational office or one of TACMO officers.

BROTHERHOOD

The Brotherhood of the Wilmington Baptist Association has made outstanding progress this year. The Brotherhood Committee is complete and holding regular monthly meetings. Several members of the committee have visited various churches within the association in an effort to establish new Baptist Men and Royal Ambassador Chapters. Surf City Church was among the first to send in a complete list of officers and other churches are in the process of either organizing new chapters or revamping existing ones.

During the annual Azalea Festival held in Wilmington, the Brotherhood sponsored a float depicting the theme "We are Ambassadors for Christ." In April, an association-wide track meet was held at Hoggard High School. Approximately 100 men and boys participated, representing several Royal Ambassador groups from area churches. Surf City and Hampstead churches were winners of this competition and attended the State Track Meet at Wake Forest as representatives of the Wilmington Baptist Association. The Brotherhood Director attended a Key Leadership Conference at Ridgecrest in May.

Approximately 15 Brotherhood members are participating in the promotion of the Missions Offering by visiting churches within the association informing them of the purpose of the offering and emphasizing its importance.

The Brotherhood will have a booth in the New Hanover County Fair in October and plans are underway for a Royal Ambassador Campout later on that month. In November, there will be a Father-Son Banquet for all Royal Ambassadors of the Wilmington Baptist Association.

RESORT MISSIONS COMMITTEE

We have had an exciting summer in Resort Missions. The Home Mission Board appointed three missionaries to this area. They were Tori Holcombe, Florida; Kevin Dobbs, Piedmont, Alabama. The third one became homesick and returned to her home in Ohio.

Tori Holcombe worked at Carolina Beach. She was responsible for puppet shows at the Jubilee Park on Thursday, Friday, Saturday, and Sunday nights reaching 5500 people. She also did Backyard Bible Schools.

The Deacons of Carolina Beach conducted Worship Services at the Jubilee Park each Sunday morning for the tourists. A joint project of Carolina Beach Baptist Church and Carolina Beach Methodist Church resulted in a Christian Coffee House on the Carolina Beach Boardwalk.

Kevin Dobbs served at Surf City. He directed 16 showings of the musical outdoor drama "JONAH AND THE WHALE" at the Barnacle Bill's Fishing Pier, Roger's Bay KOA Campground, Surf City Family Campground, and one showing at Lanier's Waterside Campground. He also served as the musician at the Surf City Family Campground Worship Service each Sunday at 9:30 a.m. He helped conduct a mission Vacation Bible School and a Backyard Bible Club, and two weeks of Vacation Bible School at the Surf City Baptist Church. Kevin reports five persons receiving Christ during his services at Surf City.

Request is being made to the Home Mission Board for four missionaries to serve at Carolina Beach, Kure Beach, Surf City, and Wrightsville Beach next year. Pray that the summer of 1982 will be the greatest as God gives us the workers.

LITERACY COMMITTEE

Literacy, as a missions effort, demands a deep-set conviction that God has called individuals into this special ministry. Through our workshops, our individual or group tutoring sessions, our speaking to churches, clubs, and other organizations, we are able to share our mission.

Through our workshops - both Basic Laubach and English for Speakers of Other Languages (ESOL) - we are able to train others to minister in this area of missions. During this past year, we have trained 24 tutors in 3 Basic Laubach Workshops and 6 tutors were certified in 2 ESOL Workshops. Two of our trainers conducted a Basic Workshop in October, 1980, for the Columbus Baptist Association.

For many years, we have been praying for the Lord to open a door at the Prison Unit on Division Drive in Wilmington. In January 1981, the door was opened. Three of our trainers conducted a workshop in the prison and trained 4 inmates as tutors. They are doing a tremendous work there. How we praise the Lord for that wonderful opportunity and those 4 men!

On February 19, 1981, the Conversational English Class at Winter Park Baptist Church in Wilmington hosted an ESOL Banquet. The theme for this occasion was "The World at Our Door." During the evening, a look into ESOL Literacy Missions was shared by all.

After many years of faithful service as our Placement Co-ordinator, our beloved Nannie Bryant resigned and moved to Hampstead near her son and his family. Again the Lord opened a door and sent us Jim and Ethel Fountain to serve together as our Placement Co-ordinators.

"Lord, we ask that each of us will become more concerned for those more unfortunate than we. We thank you for all those beautiful people who support Literacy Missions in any way. Lord, we continue to thank you for the prayers and support of our Wilmington Baptist Association. We ask your continued support as we labor in Literacy Missions for our Lord."

BIBLICAL RECORDER

Again this past year, the Biblical Recorder has reminded us all of the value of good church-pastor relations. This is just one of many subjects the Recorder seeks to cover for North Carolina Baptists.

The editor believes strongly in the local church as well as the ministry and work of the pastor. As all of us know, nothing can take the place of a good church and a good pastor.

And yet, we also know that there are those in our midst who do not believe in this as much as they should. The Recorder is a constant reminder to us that a bedrock of Baptist life is a strong local church served by a dedicated pastor.

The Recorder also challenges us in many other ways. For example, it reported that there was a net gain of only 21 new churches in our convention in the past 10 years. This shocked many people, especially in view of the number of new churches organized in the last 50 years and in the population growth of our state in the last decade.

The Recorder was happy to report that the Southern Baptist Convention in Los Angeles was a good one. Those unable to attend were given an accurate and complete picture of what happened there--a front row seat, as it were, for only 7¢ (cost of one Recorder.)

When people know the truth--and truth must be spoken in love--we have a better convention, better churches, better associations and better individual Christians. The Recorder is that instrument of communication that keeps us closer together as Baptists.

If you are not receiving the Recorder, you are missing something vital to your Christian life. The cost is still much less than one-half the price of a first class stamp. Surely, every church and every individual can afford that much.

C. G. Berry, Director

PROGRAM COMMITTEE

The planning committee for the annual associational meeting suffered the loss of one of its members, through the death of Mr. Charles Matthews. However, the work progressed and interesting and profitable programs were planned for the 1981 session. An attempt was made to focus upon the mission work of the association in reports and presentations.

The associational flag contest was added to the agenda as was the presentation of several awards designed to recognize achievements within several of our churches.

ORDINATION ADVISORY COUNCIL

The Ordination Advisory Council, on request, has examined two (2) candidates for the Gospel Ministry.

Gibson Avenue Baptist Church requested the Council to examine Billy Fowler.

Winter Park Baptist Church requested the Council to examine Al Sholar.

The candidates were examined on their religious experience, conversion, call to the ministry, doctrines, education plans, attitude toward the Association, the Baptist State Convention of North Carolina, the Southern Baptist Convention, the Cooperative Program and his cooperation with other churches.

The members of the Council have performed their work in a serious manner to inspire the purity of our doctrines, to strengthen the fellowship between Baptist churches, and to let the candidates know what is expected of them as pastors of Baptist churches. God continues to call men to the Gospel Ministry, and as long as He does, we have the responsibility and privilege to guide and encourage them in this work.

The Council voted unanimously that each of the churches proceed with the ordination of the candidates. It is a pleasure to have a part in this all important task of assisting men to fulfill God's will in their lives.

SUNDAY SCHOOL

The 1980-81 year has been an exciting and challenging year in Associational Sunday School work. The Associational Sunday School Improvement Support Team has been very helpful in upgrading the caliber of Sunday School work in the association. Their responsibility has been to volunteer their services to any church in the association who requests help in Sunday School work. We are grateful for the dedication and commitment of the Assist Team as they seek to aid the association in Sunday School work.

This year the Assist Team was asked to hold three (3) Sunday School Conferences with the emphasis on outreach and teaching. These were held at: (1) Burgaw Baptist Church on September 30, 1980. There were 13 churches represented, with a total of 60 people present. A good representation from the area. (2) Carolina Beach Baptist Church on January 8, 1981. We had 3 churches represented, with a total of 31 persons in attendance. (3) Surf City Baptist on February 19, 1981. We had 3 churches represented with 30 persons in attendance.

On January 16, 1981, the Assist Team went to Campbell University to learn about the New Basic Sunday School Work Books and Resource Kits. The purpose for studying this material was to teach it to the churches of the

Wilmington Association. This conference has been scheduled for August 31, 1981, at Sunset Park Baptist Church.

Tremendous excitement was generated this year as eight (8) churches were privileged to participate in the YES Campaign, "YOU EVERY SUNDAY IN SUNDAY SCHOOL." This was a pilot program of friendly competition between Calvary and Sunset Park, Pine Valley and Winter Park, Southside and Freedom, Temple and First Baptist. The campaign ran for 7 weeks from March 1, 1981, to April 12, 1981. The eight (8) churches had 1,583 visitors, 170 new members and a total of 451 persons per Sunday increase in Bible Study over the seven Sundays. This means a 16.6% increase among the eight (8) churches over the seven Sundays. The YES Campaign generated a lot of interest and was a big success.

On Sunday evening, April 12, 1981, all eight (8) churches came together at Calvary Baptist Church for a final YES Rally where Dr. Mark Corts brought God's message to approximately 1,200 people.

Then on April 13, 1981, we had Mr. Andy Anderson back with us for another Outreach Meeting. The meeting was held at the First Baptist Activity Center and began at 6:15 p.m. with a meal. We had 25 churches represented, with 200 people present.

Andy shared with us about the Growth Spiral and the Super Spiral. He shared that churches could use these as tools to build their Sunday Schools and encouraged churches of the Wilmington Baptist Association to participate in the Super Spiral. It was an exciting and challenging meeting.

As Christians, Bible Study is a necessity for Christian growth. The word of God is our guide for life, our strength and help for whatever need we have.

In the day in which we live we need God's word taught more than ever. This demands better equipped teachers, outreach leaders, and class members for the task of sharing God's word. Let us not be found guilty of making Bible Study dull and uninteresting when we have the most exciting news in the world to share! The awesome responsibility of teaching this Dynamic Book can be rewarding for us in this association.

EVANGELISM COMMITTEE

All Baptists are urged to participate in the Joint Evangelistic Crusade in 1982. The theme will be "Here's Hope." Interpretation meetings have been held across the state to suggest plans and basic thrusts for the Joint Crusade effort, which is co-sponsored by the Baptist State Convention and the General Baptist State Convention. The Simultaneous Revival dates for the areas are: Coastal - March 14-28; Piedmont - April 4-18; and Mountain - April 25 - May 9, 1982. Every church is encouraged to plan a revival meeting during one of these suggested dates. Let us pray daily that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1982. Here in the Wilmington Baptist Association some 44 churches have committed themselves to the Simultaneous Revival effort.

Churches are urged to have Lay Evangelism Schools in preparation for the '82 Joint Crusade. Master copies of transparencies to be used in teaching Lay Evangelism Schools were sent to all Directors of Missions. 73 associations have a trained Coordinator of Lay Evangelism Schools who will train other pastors in the association. Rev. Horace Jackson conducted a Lay Evangelism School during September to train those who will in turn train their own churches in Lay Witnessing.

About 2400 pastors and lay persons attended the 35th statewide Conference on Evangelism at Asheville last February 2-3. The 36th Conference will be in Greensboro February 8-9. 1982.

Youth Evangelism Conferences were held in three (3) different locations this August. These were held in Fayetteville 8-28, Greensboro 8-29, and Asheville 8-30. This cuts down on travel and overnight stays and should increase attendance each year. A special conference at Caraway is planned for October 5-7, 1981. Jack Taylor will be the inspirational speaker.

Baptisms were up last year and we hope that this year's report will continue to show an upward trend.

Prayer for the success of the Simultaneous Revivals is a must. God will work wonders in our midst if we really pray.

UNITED CHRISTIAN CAMPUS MINISTRY AT UNC-W

Fall of 1980 and Spring of 1981 saw the first full program year for United Christian Campus Ministry at UNC-W since Rev. Bob Haywood's arrival in February of 1980. The basic thrust during that year was to support the development of a Campus Christian Fellowship, a student led organization of Christians at UNC-W. Bob worked with the student steering committee, led a sharing group and a Bible study group, spoke at the Tuesday evening meeting of that Fellowship four times, and designed three weekend retreats under the themes: "Finding God, Self and Others at UNC-W," "Reaching Out-Sharing our Faith," and "Journeying Towards God." Campus Christian Fellowship is made up

of some fifty to seventy students with the lowest number in attendance being thirty. Five of these students attended a leadership training workshop for B.S.U.'s at Camp Caraway in April and twelve more attended a week long training session at Windy Gap in May.

Many hours have been spent in building relationships with faculty and staff as well as students in this past year. The payoff for this is reflected in the increasing numbers of referrals for counseling that are being made by various members of the faculty and staff to Bob. About fifteen to twenty percent of Bob's time is spent in counseling with students dealing with a whole host of personal and spiritual problems, such as, male-female relationship problems, students with low self-confidence and students young in faith dealing with temptation to "go with the crowd."

Another facet of campus ministry is to be of service to the University in dealing with concerns about student life. Bob has tried hard to get to know the students in the Student Government, the Student Program Board, those students who manage the residence halls and the student affairs staff. He led one of the training sessions for the Resident Advisors in the residence halls teaching them basic helping skills. He has worked hard this past summer to develop freshman orientation groups. These small groups of ten freshmen led by an upperclassman to help new freshmen meet each other and have a place to talk about the things that concern them in initiating their years at UNC-W. Well over a hundred students are now involved in this program. He has helped the Board of Directors become aware of the alcohol abuse problem on campus and will work with the Campus Alcohol Awareness Task Force this year. All of this exposure on campus makes our Campus Ministry known. Bob is available to the students at UNC-W, and our Campus Ministry is responsive to student needs. He touches the lives of 1000 students each year.

The above: working with Campus Christian Fellowship, counseling and being of service to the students and faculty at UNC-W all are points toward one basic objective: to bring the redemptive love of Jesus Christ to bear on UNC-W. The Wilmington Baptist Association and the State Baptist Convention provide $6,100 of our financial support plus office space in the Wilmington Baptist Association building, support for which the board of directors of United Christian Campus Ministry is very grateful and on which it depends.

CHRISTIAN LIFE

The moral climate in America challenges Christians to apply the gospel to the issues of our day. During the past year, the Christian Life Commission has responded to this challenge by working diligently in support of Christian social concern and Christian social action among Southern Baptists.

Scores of guest editorials, feature articles, news stories, and photographs have been prepared and distributed for use in Southern Baptist media outlets. Approximately one million pamphlets related to applied Christianity were distributed to Southern Baptists. A study of the most pressing ethical issues confronting Christians in the decade of the 1980's was prepared and distributed widely. Numerous television appearances and radio interviews in

support of Christian morality development were made. LIGHT, the Commission's publication supporting Christian ethics among Southern Baptists, was distributed every other month to more than 7,000 readers. Videotapes were made of 25 addresses in Commission-sponsored meetings; and from these, some of the most appropriate were selected for reproduction and inclusion in the Southern Baptist video cassette network as well as for the Commission's use during the Convention's special emphasis on strengthening families, 1982-1985.

Christian Life Commission staff members served Southern Baptists and the cause of Christ through membership on a number of national boards, committees, and programs dealing with such varied moral concerns as aging, alcohol, the Lord's Day, peace, public policy, separation of church and state, and world hunger. Ten conferences for Southern Baptists concerned about applied Christianity were held across the nation. The annual national seminar held in Dallas, Texas, dealt with "Power in Church and Society."

The Commission's responsibilities in support of applied Christianity among Southern Baptists continued to be reflected in its motto, widely used in many ways throughout the year, "Helping Changed People to Change the World."

The Christian Life Commission provided carefully prepared support materials for Southern Baptists observing Race Relations Sunday, Christian Citizenship Sunday, and World Hunger Day.

The Christian Life Commission affirms its commitment to help Southern Baptists establish the kind of moral and social climate in which our total witness for Jesus Christ can be most effective. With God's help, the Commission will keep working to help changed people change the world.

CHRISTIAN ACTION LEAGUE

We are praising the Lord for some victories that He has shared with us this year, as well as other developments in total perspective of our work.

I. On January 1, 1981, Coy C. Privette began as our Executive Director upon the retirement of D. P. McFarland who had served for 20 years in this capacity.

II. It has been a privilege to assist in four campaigns already this year:
   1. Lumberton defeated an ABC liquor referendum;
   2. Blowing Rock defeated a liquor-by-the-drink referendum;
   3. Marion defeated a beer referendum; and
   4. Old Fort also defeated a beer referendum.

III. The League was involved in its most extensive legislative program in its entire history. There were some victories, some defeats, and some delays.

IV. The League is now involved in PROJECT-1000, an effort to enlist 1000 churches or individuals that will become a prayer partner and to make financial contributions in the League's ministry. The League's extensive legislative program has placed a heavy demand on its financial resources, and this is why you are needed to become a part of PROJECT 1000.

The League seeks to help us to be that salt and light that our Lord has commissioned us to be so that we might preserve the moral and spiritual principles upon which our nation was established.

Edmund Burke put it so well years ago: "All that is necessary for evil to flourish is for good people to do nothing."

BAPTIST FOUNDATION

During the past year, twenty-three new trust funds valued at $385,016 were established with the North Carolina Baptist Foundation. Coupled with the additions to existing trusts, total new assets held for the various missions and institutions increased the value of trust assets by $453,877.

- Foreign Missions trust funds increased by approximately $26,000.
- Home Missions trusts increased by $8,000.
- Baptist Childrens Homes of North Carolina trusts increased by approximately $19,000.
- Southeastern Seminary by $12,250.
- Fruitland Bible Institute by $33,000.
- North Carolina Baptist Homes by $1,500.
- Local church trust funds, including cemetery, scholarship and mission funds by $5,000.
- Cooperative Program by $7,000.
- Statewide Student loan fund by $115,000.

The Directors of the Foundation made an investment decision in 1978 to increase the yield to the charitable beneficiaries of trust income. Over a two-year period investments moved toward high quality selective bonds to accomplish this goal. The income of yield increased steadily with the rate on December 30, 1980 averaging 10.3%. Market Value of all assets on December 30, 1980 were $4,586,215.12. The bond portion of the investment portfolio reflected the high interest market at the end of the year with market values being depressed below inventory value.

Thirty-eight percent of the market value of all assets held by the Foundation were made as gifts by persons desiring to receive income for the remainder of their lifetime and at death have the trust funds pay income to missions or Baptist institutions. Foundation personnel are available to assist

any member of a Baptist Church in North Carolina to utilize this or other plans of giving to provide a perpetual personal support for sharing the message of Christ - even beyond one's lifetime.

More families are utilizing the memorial gifts as a means of providing mission support on a continuing basis. Individual trust accounts are established with only the income being distributed in the name of the deceased family member. Generally the mission cause named to receive the income was loved and supported during the lifetime of the family member.

Private and confidential conferences are scheduled by Foundation staff members with individuals desiring to seek direction in estate planning and giving.

Respectfully submitted,

Edwin S. Coates, Executive Secretary
James R. Maynard, Chairman of Board

ANNUITY BOARD

"Nineteen hundred eighty has been a year of unprecedented growth and startling change," according to Dr. Darold H. Morgan, president of the Southern Baptist Convention's Annuity Board.

Key statistical highlights in 1980 included:

1. A 13th Check amounting to 10 per cent of a year's benefit was mailed to annuitants who retired before 1980.
2. A total of $21,059,479 in retirement benefits was paid.
3. Insurance benefits through the Board's church, agency and seminary programs amounted to $15,955,965.
4. Total assets held in trust at the close of the year equaled $806,518,757. This figure represented a growth of $139,043,770 over 1979's total.
5. Premium income totaled $87,938,590, including contributions and relief receipts. A total of $42,121,138 was designated for the Fixed Fund, $3,620,501 was earmarked for the Balanced Fund and $11,063,513 went into Plan A. Insurance premiums totaled $24,863,894.
6. At the close of 1980, the Board counted 20,527 church and agency member accounts in Plan A, 47,701 in the Fixed Fund, 6,033 in the Balanced Fund and 3,376 in the Variable Fund.

In Wilmington Association 44 churches and 57 staff members are participating in the retirement program. Of this number 9 are still participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10% of total salary for staff members.

In North Carolina as of March 31, 1981, 3,114 staff members of 2,353 churches and associations are participating in the Southern Baptist Retirement Program.

AMERICAN BIBLE SOCIETY

The American Bible Society, founded 165 years ago in 1816, continues to pursue the only purpose for which it was established: the translation, production, and distribution of God' Word without doctrinal note or comment, and without profit.

On behalf of the millions of people who learned about our Lord Jesus Christ through the pages of Scripture in 1980, the ABS would like to express its sincere thanks to the churches and agencies of the Southern Baptist Convention for their share in these successful programs of Scripture evangelism. The denomination's support for each of the past four years has averaged about two cents per member, or a total of $293,000.

Of particular significance to the SBC is the Bible work being carried out in Brazil, one of your largest and oldest fields of service. During 1980, the Bible Society of Brazil produced for the first time the Illustrated New Testament in Today's Portuguese. This new translation is receiving a tremendous response from church leaders and individuals. In addition, work is continuing on the complete Bible in this version. This translation is expected to attain the same popularity in Brazil as the Spanish Version Popular Bible received throughout Latin America.

And in Nigeria, new translations have been completed to meet the growing needs of Nigerian Christians who are becoming increasingly eager to have the Scriptures in their own languages. Translation of the complete New Testament was reported for the first time ever in the languages of Angas and Yala. This means that those who speak these languages will now have a chance to experience a new life in Christ as revealed through His message of love and forgiveness.

To help aid the ABS in its worldwide effort to serve the church and its global ministries, and to strengthen the indispensable partnership between the churches and the ABS, an Advisory Council was held last year. Representatives of many major denominations were present at this Council to discuss with officials of the ABS ways in which increased support for the worldwide Bible cause and goals for the years to come could be achieved. Representing the SBC were Dr. Harold C. Bennett, Executive Secretary-Treasurer, Executive Committee of the SBC, and Dr. Porter Routh, his predecessor, both members of the ABS Board of Managers.

At the Advisory Council meeting, several important resolutions were adopted. Of special significance is the resolution encouraging "...greater financial support from churches and the total Christian community, especially when viewed in light of U.S. and world inflation..." and urging "...the churches to set a goal of at least ten percent annual growth in financial support to the work of the ABS." We sincerely hope that the SBC will find it possible to assist in the successful fulfillment of this resolution. Perhaps we could look for the day when the average gift to the Bible cause will be at least four cents per member per year!

EDUCATION COMMISSION

The emphasis of the activities of the Education Commission continues to be on the mission and purpose of Christian higher education as it fulfills the command of Christ given in the Great Commission.

The state conventions in the SBC increased their 1980 support to the schools by $6,725,259 for a total of $55,307,213. Of this amount, $782,946 was given as addition to endowment funds. Donations, gifts, and grants totaling $72,588,419 for an increase of $22,008,052. Endowment funds amounted to $486,271,717; property was valued at $941,039,994, making assets total $1,427,311,711. This was an increase of $135,117,508. Endowment increased $53,391,928 and property value by $81,725,580.

Church vocation volunteers totaled 23,758 for 1980-81, or an increase of 967.

Pastoral Ministry Students	11,732
Educational Ministry Students	3,943
Music Ministry Students	2,653
Other Church Vocation Students	2,518
Home and Foreign Mission Volunteers	2,912
Total Church Vocation Students	23,758

The role of education in the mission enterprise has continued to be an emphasis during the past year. This emphasis has brought continued cooperation between the Education Commission and the Association of Southern Baptist Colleges and Schools and the mission agencies of the Convention. On several Baptist college and school campuses, special programs of training and mission involvement have been conducted. Commission personnel participated in workshops for trustees and in the publication of the revised edition of the manual for trustee orientations. Students, faculty, and staff from Baptist college campuses have been assisted in continuing education experiences through the scholarships administered by the Education Commission. Surveys on course offerings in Baptist colleges and studies of comparative percentage distribution of Cooperative Program funds to Baptist schools have also been conducted by the Commission. The planning and promotion of Baptist Seminary, College, and School Day on February 15, 1981, carried out the function of convention relations. Distribution of printed materials for this emphasis increased this year by 24 percent.

Liaison with national and governmental agencies continued to be a major factor in the Commission's work. Leaders of church-related and independent higher education continued to participate in the role of affecting legislation which supports denominational educational efforts. The cooperative work of the Commission with other denominational boards of higher education has also brought greater visibility to the work of the denominational educational institutions.

BAPTIST HOMES FOR THE AGING

As we look back over the past thirty years of ministry in our Baptist Homes, it is a real inspiration to see where we have been and to meditate on the many blessings that God has so richly bestowed upon us. He has brought us from one Home in 1951 to a total of six Homes, an apartment complex, and a skilled nursing unit; from one resident to a total capacity for 300 persons in 1981. These have been good years, and God has used North Carolina Baptists to bring this special ministry to older people a long way. Where we go from here is certainly, as always, in the hands of the Lord, but depends largely on where North Carolina Baptists want to go.

Quite frankly, we are still at a standstill. Crippling inflation has caught up with us and is eating into the very vitals of our existence. We are still giving the same high quality of Christian care to each of the residents in the six Homes, Nursing Care Unit, and the apartment complex. It is a struggle and a juggle between income and expenditures.

Building plans for a desperately needed 70-bed addition to our current Nursing Care Unit and the Hayes Home have been held up by regulatory red tape for years. Now that the state health laws have been altered to permit the building of these beds, it doesn't appear that we could wisely borrow the money at the current interest rates.

Though 1980 gifts through our Cooperative Program and the North Carolina Missions Offering are a little more than $550,000.00 (18% of all income), these gifts are not commensurate with our current population growth and the ministry support needs of the Homes.

Two things are apparent. One, Baptists must be informed of our needs and do all possible to increase their gifts accordingly through the regular channels--the Cooperative Program and the North Carolina Missions Offering. Two, North Carolina Baptists must help us find ways of raising money for development and expansion to meet the needs of current residents and the needs of growing numbers of older adults.

The General Board of the Baptist State Convention has joined us in our concerns and has appointed a Special Study Committee to take a serious and close look at the financial needs of our Baptist Homes.

We will continue to trust our Heavenly Father for His blessings upon the Homes' vital ministry to older adults. We will keep faith with Him and with North Carolina Baptists and strive to give the highest quality care to each resident of the North Carolina Baptist Homes. We will believe that our future is as bright as the promises of God Himself and as sure as the love and devotion of North Carolina Baptists.

BAPTIST HOSPITAL

During the past decade, life expectancy in this country has increased by three years, to 73.2 years. Important factors in this increase have been the development of new medical technology and the application of new medical knowledge gained through research.

Baptist Hospital has had a significant part in this developing knowledge and technology. During the past year, the hospital has expended more than $3 million on technological equipment, including the installation of an 18-MEV linear accelerator for the improved treatment of patients with certain types of cancer. A new cardiac-catherterization laboratory increases the capability of identifying and locating heart problems. A cell saver, the first in North Carolina, contributes to the recovery of many surgical patients. This technology salvages the patient's own blood, cleans it and readies it for transfusion back into the patient in a matter of minutes - making transfusion faster and less expensive. The diagnosis and treatment of epilepsy has been greatly enhanced by the development of a video telemetry system which uses cameras to record a patient's physical symptoms during a seizure. This makes it possible to identify and classify a seizure, thus enabling the physician to determine the precise drug dosage needed.

The hospital's ministry has been aided by completion and occupation of the Focus Building. Other hospital space is undergoing renovation for more effective use.

Several staff members from the Medical Center have participated in short-term mission assignments during the past year - many of these in overseas areas.

The Department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families, individual and group counseling in crisis situations, clinical pastoral education in both crisis ministry and pastoral counseling at several levels, and numerous events in Christian enrichment and development. The Minister's Care Plan continues in which the Baptist State Convention provides financial assistance for ministers and/or their families who seek pastoral counseling through one of the department's regional centers.

Again this year, our hospital has won awards in cost effectiveness programs, indicating our continuing efforts to keep our operating costs and patient charges as low as possible.

During the year, the hospital's charter revision has been brought to successful and satisfactory conclusion.

In 1980, our churches contributed $457,459.56 to the hospital through the Cooperative Program, and $353,397.73 through the North Carolina Missions offering and designated gifts.

STEWARDSHIP AND COOPERATIVE PROGRAM

I. COOPERATIVE PROGRAM

A dream is only a dream until someone makes it come true. Bold Mission Thrust began as a dream for Southern Baptists in 1976-77 -- a bold dream of greater mission support and church growth. Many people are committed to making this dream a reality. In order for Bold Mission Thrust to succeed, many more people must adopt this commitment.

Two important questions must be asked and answered:

1. Do we have the will and commitment to persist in achieving what we have voted as Bold Mission Thrust goals?
2. Can we learn to live with our commitments?

Officially, Southern Baptists claimed their Bold Mission Thrust dream in 1977. Looking at the years ahead we have mixed reactions of excitement and anxiety. The introduction is over; in 1982 we must demonstrate our willingness to make our Bold Mission Thrust dream come true through our Bold Giving.

Involved in this demonstration are several realities to be considered:

1. Churches need to be faithful in fulfilling their goals of mission giving and church growth;
2. Some churches may need to discover "special roles" in the bold endeavors they have adopted;
3. Church leaders must lead the people to adjust lifestyles and values in order to achieve Bold Mission Thrust;
4. We need a strong zeal and spirit of cooperation to attain the goal of our 1982 associational missions program;
5. We need a strong commitment to reach the goal for our 1982 State Cooperative Program budget.
6. We need a greater concern for people in order to bring about a new "turn around" in attitudes and records in church growth and church member development.

The dream is bold. The people are excited. The mission unmistakably stands before us.

Commitment to Bold Mission Thrust calls for specific action on our part as individuals and churches. Every church is challenged to:

1. Give something through the Cooperative Program for Bold Mission Thrust support.
2. Increase the percentage of its total budget income given through the Cooperative Program.
3. Increase the percentage of total budget income for the support of associational missions.

Let every church in the Wilmington Baptist Association demonstrate its genuine concern for and commitment to world mission support through bold living and bold giving.

II. STEWARDSHIP DEVELOPMENT

Developing Christian stewards is imperative in light of biblical teaching and the Bold Mission Thrust objective to give every person in the world an opportunity to hear and respond to the gospel of Jesus Christ by the year 2000. This calls for faithful stewardship and growth in Christian Giving. Having a Bold Mission Thrust stewardship presentation in every church is a major concern for 1982.

The Stewardship Commission of the Southern Baptist Convention provides leadership, practical aids, and biblically-based materials for assisting churches in developing individual Christian stewards. The current stewardship theme is "Witness to the World Through My Church." Magnifying giving through the local church is a primary emphasis.

Providing year-round stewardship development activities will help members grow spiritually. Tracts, activity guides, study course books, visual aids, budget programs, and money management materials are available to help churches in planning and conducting these activities. The materials cover the broad areas of stewardship education, (giving and money management), mission budget development and promotion, and accounting (proper handling of the church's money).

WE RECOMMEND

1. That every church encourage its members to grow in the grace of giving, and in light of our Bold Mission Thrust goals, to give a greater percentage of their income through their church.
2. That every church accept the responsibility of teaching its members the principles of biblical stewardship and provide studies and activities throughout the year to accomplish this goal.
3. That every church seek to increase its budget income during the year by at least 15 percent.
4. That every church develop a unified budget and conduct a budget program that would emphasize the importance of each individual member's giving and involvement in the life and work of the church.
5. That every church elect and train a stewardship committee to assist the church in developing Christian stewards.
6. That the association assist the churches in accomplishing their task of developing Christian stewards by providing information and/or a conference explaining the stewardship resources available to the churches.

III. ENDOWMENT AND CAPITAL GIVING PROMOTION

A. Wills, Trusts, and Estate Planning

The work of YOUR BAPTIST FOUNDATION continues to serve the churches and their agencies by promoting eternal stewardship responsibilities and by acting as managers of funds that benefit every facet of the Kingdom. Increased emphasis is being placed on making our people aware of their stewardship of possessions beyond the tithe and gifts made in one's lifetime.

To assist in this awareness we recommend:

1. That each church in your association observe MAKE YOUR WILL MONTH (January) Emphasis in 1982.
2. That pastors be asked to focus special attention on the work of Your Baptist Foundation (state and SBC) during the month of September.
3. That each church have a Money Management Seminar with emphasis given to wills and trusts.
4. That a year-round emphasis be made upon the stewardship of accumulated possessions and resources.

B. Church Fund Raising

The need to build buildings in an expanding local ministry causes the congregation to be faced with the securing of funds. Many congregations are torn between local ministry needs and world mission needs. The Stewardship Commission offers assistance to the congregation in two ways:

1. Building for Today's Challenge is a "do-it-yourself" program.
2. Together We Build is a consultant-led program with a tailor-made emphasis designed for each church.

This assistance is designed to help congregations raise as much capital as is possible and to reduce long-term financing. Congregations all over the Southern Baptist Convention are using these programs with great success.

To assist in capital funding we recommend:

1. That every church anticipating a building program, contact the Stewardship Commission for assistance in financial planning.
2. That every church raise as much money as possible to reduce long-term financing. (98 churches and 1 institution raised 32 million dollars in 1980.)
3. That every church remember that the Stewardship Commission is a service agency ready to help in meeting their local needs. Help is available by contacting the Church and Institutional Fund Raising Section of the Stewardship Commission, 460 James Robertson Parkway, Nashville, Tennessee, 37219 for their advice and counsel.

MUSIC COMMITTEE

The year 1980-1981 has been a year of growth for the Associational Music Program. Four exciting events have highlighted the year. The theme of the Church Music Department of the Southern Baptist Convention for this year was Reaching Adults Through Music. In keeping with that theme, the Wilmington Baptist Association sponsored an Adult Choir Festival on May 4 at Pine Valley Baptist Church. Ten of our churches were represented with over 200 people participating.

On August 27, a workshop for Children's Choir workers was held at Sunset Park Baptist Church. To begin the program, the Children's Choirs of Sunset Park presented the musical "Down By The Creekbank." After their performance, workshops were held for Preschool, Younger Children, and Older Children's Choir Workers led by Geneva King, Cathy Brewer, and Peggy McCabe respectively. Approximately thirty-five people attended the workshops.

At the Glenn Sheppard Rally held in the Temple Baptist Church on September 10, forty-three (43) adults from choirs across our Association came together to form an Associational Choir for the occasion. The enthusiasm and spirit with which they sang really added to this great workshop experience.

The final event of this year was an Adult Choir Retreat held at Ft. Caswell on September 25-26. Jim Fincher, Minister of Music at Immanuel Baptist Church in Florence, South Carolina, led seventy Adult Choir members from churches in our Association in several rehearsals. Many aspects of vocal technique, including breathing and tone quality were taught by Mr. Fincher.

Looking ahead to 1981-1982, many exciting activities have been planned by our Music Committee. These include a Children's Choir Festival on March 20, 1982; an Adult Choir Festival May 3; a Children's Choir Retreat at Ft. Caswell September 17-18; and a children's Choir Performance on September 26.

EXECUTIVE COMMITTEE MINUTES

The Executive Committee of the Wilmington Baptist Association met Tuesday, October 14, 1980, at the Associational Office. Mr. Potter called the meeting to order and Arlene Macon led in prayer.

REPORTS

Mr. Walker reported that the storm windows are installed in the Associational Office.

Tom Bovender reported on "M" night. The program will consist of a fair of materials and a program of the Sunshine Boys from Sunset Park. Buddy Freeman will hopefully be the speaker. The place is Pine Valley Baptist and the time is 7 p.m., November 24. A key leadership lab is planned for next quarter.

Marsha Eichenberg announced that she and Bobby Stafford are joining together to do meetings for Sunday School Directors and for Mission oriented persons in Pender County. Doug James is helping Marsha by telling the people in the churches how they can be involved in community missions.

The Single Adult Council has three dates on the calendar. November 1st for a costume party at Pine Valley, December 6th at Long Creek for an oyster roast, January 3rd at Calvary for a covered dish supper.

The Seamen's Center needs volunteers. Some are being trained and hopefully this will be a good method of training workers.

Mrs. Jean Allen reported that the United Campus Board is planning for 5 year goals. The Board needs workers and finances. The college kids retreat was a success and Bob Haywood is doing a great job. The need is to get to the local church with campus ministry.

A Brotherhood workshop is being planned for November 18. Ed Bullock, of the State Brotherhood work is going to help us organize Brotherhood Men's programs and two areas of children and youth R.A. work. J. P. McGinnis is doing the planning.

Don Vigus reported that November 2 at 7:30 and 9 p.m. the group TRUTH will be at Pine Valley Baptist. All youth are invited. February 27-28 will be a Youth Discipleship Seminar. March 13-14 will be a Youth Retreat at Ft. Caswell. May 12 will be a Volunteers Workers Workshop at First Baptist Activities Center.

Bill Smith reported that the Sunday School Workshop at Burgaw had 60 persons attending with a total of 13 churches represented. An Outreach Workshop, with Andy Anderson, is planned. A Pastor/Director Workshop is planned for August 31-September 1, along with a workshop for all Sunday School Teachers. January 16 is the day our ASSIST team will go to Campbell College.

Horace Jackson simply said that this year's budget will be approved, hopefully, when the general session meets.

Paul Kesterson reported that our finances are stable.
$1,800 is today's balance.
$1,600 is in contingency.

We have a problem with the emergency shelter for children. The engineer, Jack Adams, needs $4,000 for payment of the plans he has drawn. Horace Jackson made the motion to take the money out of the money set aside for the building of the home. Jean Allen seconded. All voted for the motion.

Greenfield was constituted this past Sunday, October 12, 1980.

Paul reported that Ben Gault needs to know how to get some more classes for the Seminary Extension Department. An excess of 30 persons are now involved in the Dynamics of Teaching each Monday night by Ruth Murray.

The roof will soon be finished on the building and Paul hopes we can be in the building by the Wednesday after general session.

The Executive Committee voted to buy a phone system for the building. The system will be more costly for now, but it will save us money in the long run. Doug James made the motion and Mr. Walker seconded it. The vote was unanimous.

We are paired with the Howard Association. Paul feels we should either go on with the plans to try to do some work with them or to forget the matter. They have a new Associational Director, so communication has been hard for us to plan any events with them. Horace Jackson said that it is possible that Sunset Park would like to go there this summer to help them do some work.

A question was brought up about furniture for the offices. It has been bought and can be delivered on a one day notice.

For information.

Horace Jackson will be nominated for the General Board of the N.C. Convention in Greensboro. We will then have A.L. McGee and Horace.

Marsha Eichenberg is serving with the Citizens Advisory Committee of Nursing Homes. She will take complaints or favorable comments.

Don Vigus dismissed in prayer.

Respectfully submitted,

Bobby Stafford for Ottis King

The dates for our long range meeting at Caswell have been cancelled because of no room at Caswell. Paul suggested that we meet at the WBA building for one day. The date being Saturday, November 22, 1980. Tom Bovender suggested that we meet at 8 a.m. - 3 p.m. and that we have breakfast catered and lunch catered. Doug James seconded the vote and it was approved by every member.

EXECUTIVE COMMITTEE MINUTES

The Executive Committee of the Wilmington Baptist Association met November 22, 1980.

The meeting was called to order by the chairman, Jim Parsons.

This meeting was called after the meeting of a group studying Long Range Goals for our Association so there were no preliminary details.

Paul Kesterson was recognized.

1. There is a problem in addition for the budget this year. The error is an $8,000 error that was made when the line items were added.

Grady Funderburke made the motion that the error be reported in the next General Board meeting just as a point of information to the entire body so that everyone would know about the error. Richard Phillips seconded the motion and it was passed by a unanimous vote.

2. Paul brought up the fact that we did not have an open house for our new office expansion.

Grady Funderburke suggested the date to be January 11, 1981 and made this in the form of a motion if everyone agreed to that date. Richard Phillips seconded the motion and it was passed by a unanimous vote.

3. Paul Kesterson stated that we had two requests for pastoral aid from the State office. One is for the pastor of Surf City, Don Horn. The other is for the pastor of Spradlin Memorial, Claude King.

Richard Phillips made the motion that the $1,500 asked for by Surf City for Don Horn be passed by the committee. Aubrey Jones seconded. It passed by a unanimous vote.

Much discussion followed the motion by Grady Funderburke to honor the request of Spradlin Memorial. Records from the previous year were read about the church. Finally, Ben Gault made the motion that the Executive Committee pass the $1,800 asked for by Spradlin Memorial and that Paul Kesterson be asked to contact Claude King and tell him about the money and the thinking of the Executive Committee from the point of view that persons requesting this money had stated that they would support the Convention and the Association as well as the S.B.C. Don Horn seconded. The majority approved the motion.

Grady Funderburke made a motion that the State Nominating Committee be contacted and that they be asked to replace A. L. McGee, when his term expires, with a lay person from this association so that we could be represented by both clergy and lay persons as is the custom of our association. Frank Walker seconded the motion and it was carried.

Paul Kesterson gave some points of information.

1. There is approximately $9,000 left in the building fund.

2. The Howard Association in Howard County Maryland was paired with our association in order for us to help them and for them to help us. We have not done anything about the paring. What will we do in the future?

Grady Funderburke asked that information about the paring be sent to each executive member in time to be reviewed by the next meeting.

The meeting was adjourned and dismissed by prayer.

IN MEMORIAM

REVEREND LINWOOD B. TODD

The 1981-82 Associational Annual Minutes are dedicated to the Reverend Linwood B. Todd. Reverend Todd was born August 1, 1910, and died May 10, 1982. He married the former Helen McCall in 1946. Mrs. Todd lives on Van Buren Street in Wilmington, and is a member of Sunset Park Baptist Church. Other survivors are Mr. and Mrs. Linwood B. Todd, Jr. and two grandsons, Leslie Benjamin and Jessie Lee Todd of Panama City, Florida.

Reverend Todd began his ministry late in life because of repercussions from a train accident at age 13 in which he lost one leg and severely injured the other. He was a graduate of Mars Hill College and Wake Forest University.

Reverend Todd was ordained in 1958 by Masonboro Baptist Church. His first ministry was a half-time mission at Boone's Neck. Later he was called to a mission sponsored by the Council Baptist Church of Council, N.C. His ministry in this association was at Murray Memorial Baptist Mission which was being sponsored by the First Baptist Church of Wilmington. A sanctuary was constructed during his three and one half years at Murray Memorial. From Murray Memorial, he was called to Kure Beach Baptist Mission which was being sponsored by the First Baptist Church of Carolina Beach. Reverend Todd served that church for eight years. Surf City Baptist Church was Reverend Todd's last pastorate. He retired from there in 1973. For the past nine years, he served interims and pulpit supply in various churches in this association.

Reverend and Mrs. Todd have had a great and fulfilling ministry. Mostly, they worked in mission and resort churches. In fact, they are the forerunners of resort ministry. Both of them spent many long hours growing churches and ministering to the people. As we look back in time, we are most thankful that these three strong churches in our association has had the leadership of Reverend Linwood B. Todd.

h. A statement of doctrine and faith prepared by the mission.

5. With this information in hand the group will then take a vote to recommend that the mission be organized, or not organized, or to delay its organization into a Baptist Church. If the vote is favorable by a majority vote of those present and voting, then the sponsoring agency will be requested to set a date for the organization of the mission into a cooperating Baptist Church, and notice sent to all churches of the Association inviting them to the organizational meeting.

1. The church desiring to relocate will send a written petition to the Missions and Church Extension Committee stating the desire of the Church to relocate.

"What the World Really Needs"

People who have been with Jesus is what people need. What the world needs is not more religion. Religion is man's attempt to reach God. It is not the crying need of the world. What the world needs is more men and women who have been with Jesus.

What unifies Southern Baptists is our committment to missions.

Those who had been with Jesus could help the man. The closer we get to the light of Jesus, the more we're going to see where we need to come closer to Him and the more we're going to see we need to confess our sin.

When we get close to Jesus, we can see where our lives are inconsistent, and when we begin to see that, we say, "I will go back and change." That's what Jesus meant when He said, "Repent."

Christianity is God's best attempt to reach man.

What the world needs is not more materialism. God wants us to come closer to Him. Life is more than material things.

What the world really needs is poeple who have really been with Jesus. Spiritually lame people are outside our churches.

We need to spend personal time with Jesus. People need to see the Gospel. People need to see harmony in the church.

Many churches are losing the power because of meanness, littleness, and selfishness, and people who live only with the reflection they see in the mirror. How can we do something about this? We can overwhelm them with love.

Jesus changed the world with twelve men. We can win the world by loving people. People will not always believe what we say, but they will believe what we do.

We need people who have been with Jesus.

17. C. L. King led the Messengers in singing "To God be the Glory."

17. L. G. Green preached the Annual Sermon - "The Race of Life," using Hebrews 12:1-2 as the text.

"The Race of Life"

It's a race for the essence, significance, and meaning of life. Every man must run the race for himself. One day we will be asked, "How well did you run the race?"

There is one lone contestant, one runner. You run the race by yourself, against your own record.

Paul tells us how to run the race with four ideas.

1. Run the race with all you have within you. Put forth effort. One will not be a mature Christian without working at it. One must study, worship, pray, and work for God.

2. Run with decision and direction, looking for a definite goal. What is the purpose or direction of our Sunday School, churches, Association, and Conventions? Christ went to where the people were and He cared. People, not things, were important to Jesus.

3. Run the race with discipline. Divest ourselves of anything that would hinder.

4. Run the race with patience. Persevere at your own speed. Each must run. Each must do his best with patience.

Look up and see the witnesses. They are watching you run. They are encouragers, testifiers, saying, "Run, you can do it."

Look ahead to Jesus, the Author and Finisher of our faith. We trust Him as Lord and Saviour. He is working in us to finish us into His likeness. He started us in the race. He will see us through to the finish.

I believe God has given to Southern Baptists the means whereby we can win the world to Jesus Christ. We cannot do it till we catch a vision of what God has given to us and get up and go to work.

When all the statistics are complete, and the fact sheet is presented, it's the bottom line that counts.

The bottom line is people, who need what you and I have.

THE RADIO AND TELEVISION COMMISSION

The ACTS network, a contract for time on a satellite transponder and a heightened awareness of church involvement in media has led Southern Baptists to a new era in communicating the gospel.

The Southern Baptist Radio and Television Commission, which announced the ACTS network to utilize low-power television (LPTV) stations, has spent the past year planning, preparing and producing pilot programs for the network.

In August the RTVC signed a contract for a satellite transponder on Spacenet I. Southern Pacific Communications Company plans to launch the satellite in the spring of 1984. When this happens, for the first time in Southern Baptist history, the denomination will have access to a 24-hour a day tele-communications and television potential that covers all 50 states.

THE PROGRAM OF PREACHING ON RADIO AND TELEVISION

While the government has been pondering the rules and regulations and how licenses will be allocated for LPTV, the Radio and Television Commission has moved ahead to acquire equipment and develop programs for the ACTS network.

Equipment specifications have been drawn up and submitted to several suppliers. Surveys have been developed to determine the precise location and configuration of the satellite earth station uplink. Pilot programs have been produced. At the same time, the RTVC continues its joint projects with the Foreign Mission Board, Sunday School Board and other boards and agencies.

In another kind of joint venture, the SBC Video Tape Service production continues to yield more new video tape programs designed for teaching and training aids within the churches.

The Commission continued to work with the national networks in cooperative production efforts. This past year, 10 television programs produced by three major networks and aired in cooperation with the RTVC, have included specials on runaway children and the effect of budget cuts on America's poor.

Jimmy R. Allen, President, Radio and Television Commission, described the records that continue to be set in the number of stations carrying Baptist radio programs as "unique, in light of the governmental deregulation of radio stations which relieved the forced pressure to provide free public service programming."

Despite deregulation, the Commission's new program series of contemporary Christian music, "On Track" premiered on more stations than any other radio program ever produced by the RTVC. Also, "Powerline" remains the nation's most widely-syndicated radio program. Currently on 1489 stations it is followed in popularity by "Country Crossroads," another Baptist program. "Crossroads" is on 1410 stations weekly.

BUILDING AN AUDIENCE

At the end of the fiscal year 1980-1981, Commission-produced programs were heard 5,951 times each week on 3,871 broadcast stations. Additional non-commercial air time exposures -- such as cable stations, American Forces

Network and other satellite feeds -- brought the total to 7,265 weekly broadcasts.

As a result of these efforts more than 183,000 people responded by mail to RTVC Programs last year. Many asked just for the free offers, but the material sent them also included salvation brochures and coupons to document decisions. The 10,635 letters from people who described specific spiritual problems were routed directly to the trained staff members of the Commission's counseling department.

During the year 7,795 people wrote to tell of faith decisions -- either to accept Christ, or to reaffirm a commitment to him.

MUSIC

The theme for Church Music for the year 1981-1982 has been Reaching Preschoolers and Children Through Music. Two events during the year were in keeping with this theme. On March 20, 1982, a Children's Choir Festival was held at Winter Park Baptist Church. Seventy-five children began the morning with C. L. King leading them in some recreational songs. The children were then divided into Music Makers (Grades 1-3) and Young Musicians (Grades 4-6), under the direction of Peggy McCabe and C. L. King respectively. The highlight of the Festival came at the close when each group presented a concert for the other.

The most exciting event of the year for Children came on September 17-19. Sixty-five children (Grades 3-6) from five of our churches attended a retreat at Ft. Caswell led by Karen Bilbo from Atlanta, Georgia, and accompanied by Geneva King of Sunset Park. The children spent several hours working on the musical "It Was For Me." On Sunday, September 19 at 2:30 P.M., their hard work was evident as the children presented the musical in concert for a congregation of parents and friends at Calvary Baptist Church.

In December, 1981, six of our Ministers of Music accompanied by Geneva King presented a worship service in song and narration for the Pastors and Wives Christmas Program.

Charles Storey led a workshop for Volunteer Part-Time Music Directors at Ogden Baptist Church on April 29, 1982. Eight people participated in this workshop which covered Conducting Techniques, Rehearsal Procedures, and Music Selection. Joey Marlowe from Sunset Park Baptist Church assisted Mr. Storey on the piano.

Pine Valley Baptist Church was host for the Second Annual Adult Choir Festival May 31, 1982. Eight churches were represented with approximately 200 choir members participating. Each choir did a superb job as they sang 2 selections. What an inspiration at the close of the evening when the choirs joined together to sing the challenging anthem "Rise Up, O Church!"

1982-1983 offers many opportunities for our church musicians to join together in associational activities. These opportunities include a musical for Senior Adults which will be performed on March 13, 1983; A Crusade Choir April 17-24, 1983; 3rd Annual Adult Choir Festival May 23, 1983; a Youth Choir Retreat and Performance September 15-18, 1983; and an Instrumental Festival October 10, 1983.

STEWARDSHIP

We conducted a Stewardship Seminar at Ogden this year. Several churches in the Wilmington Baptist Association have asked Talmage Williams, Director of Stewardship Development of the Baptist State Convention, to help them with Stewardship nights in their churches.

COOPERATIVE PROGRAM

A dream is only a dream until someone makes it come true. Bold Mission Thrust began as a dream for Southern Baptists in 1976-1977 -- a bold dream of greater mission support and church growth. Many people are committed to making this dream a reality. In order for Bold Mission Thrust to succeed, many more people must adopt this commitment.

Officially, Southern Baptists claimed their Bold Mission Thrust dream in 1977. Looking at the years ahead we have mixed reactions of excitement and anxiety. The introduction is over; in 1983 we must demonstrate our willingness to make our Bold Mission Thrust dream come true through our Bold Giving.

Involved in this demonstration are several realities to be considered:

1. Churches need to be faithful in fulfilling their goals of mission giving and church growth;
2. Some churches may need to discover "special roles" in the bold endeavors they have adopted;
3. Church leaders must lead the people to adjust lifestyles and values in order to achieve Bold Mission Thrust;
4. We need a strong zeal and spirit of cooperation to attain the goal of our 1983 associational missions program;
5. We need a strong commitment to reach the goal for our 1983 State Cooperative Program budget.
6. We need a greater concern for people in order to bring about a new "turn around" in attitudes and records in church growth and church member development.

Commitment to Bold Mission Thrust calls for specific action on our part as individuals and churches. Every church is challenged to:

1. Give something through the Cooperative Program for Bold Mission Thrust support.
2. Increase the percentage of its total budget income given through the Cooperative Program.
3. Increase the percentage of total budget income for the support of associational missions.

STEWARDSHIP DEVELOPMENT

Developing Christian stewards is imperative in light of biblical teachings and the Bold Mission Thrust objective to give every person in the world an opportunity to hear and respond to the gospel of Jesus Christ by the year 2000. This calls for faithful stewardship and growth in Christian giving. Having a Bold Mission Thrust stewardship presentation in every church is a major concern for 1983.

The Stewardship Commission of the Southern Baptist Convention provides leadership, practical aids, and biblically-based materials for assisting churches in developing individual Christian stewards. The current stewardship theme is "Give Boldly-Defining My Growing Commitment." Magnifying giving through the local church is a primary emphasis.

Providing year-round stewardship development activities will help members grow spiritually. Tracts, activity guides, study course books, visual aids, budget programs, and money management materials are available to help churches in planning and conducting these activities. The materials cover the broad areas of stewardship education, (giving and money management), missions, budget development and promotion, and accounting (proper handling of the church's money).

WE RECOMMEND

1. That every church encourage its members to grow in the grace of giving, and the light of our Bold Mission Thrust goals, to give a greater percentage of their income through their church.
2. That every church accept the responsibility of teaching its members the principles of biblical stewardship and provide studies and activities throughout the year to accomplish this goal.
3. That every church seek to increase its budget or income during the year by at least 15 per cent.
4. That every church develop a unified budget and conduct a budget program that would emphasize the importance of each individual member's giving and involvement in the life and work of the church.
5. That every church elect and train a stewardship committee to assist the church in developing Christian stewards.
6. That the association assist the churches in accomplishing their task of developing Christian stewards by providing information and/or a conference explaining the stewardship resources available to the churches.

NORTH CAROLINA BAPTIST HOSPITAL

With 673 beds in use, Baptist hospital admitted 23,350 patients during the past year and provided a total of 210,000 days of patient care. There were 65,381 additional visits to the hospital's outpatient clinics and the emergency room. These patients come from across North Carolina, from other states, and even from other countries to receive the specialized hospital care which our institution offers.

Many of these patients received traditional types of hospital and medical care, but others benefited from new procedures: (1) a new method of delivering anti-cancer drugs by means of an "infusion pump," which is implanted in the patient somewhat like a pacemaker for heart patients. For many patients this has proven to be a more effective and more convenient form of chemotherapy. (2) A new type of x-ray called "digital radiography," used principally for examination of blood vessels, which virtually eliminates expensive and cumbersome x-ray film. This method used less radiation and requires less dye than standard angiography. It also requires less time and can sometimes be done on an outpatient basis. It is expected that this method can eventually be used in many areas of the body where x-rays are required. (3) A new type of dialysis for patients with kidney disease called "continuous ambulatory peritoneal dialysis," which involves leaving a special fluid within the peritoneal cavity for several hours while impurities (normally removed by the kidney) are taken from the blood. This type of dialysis not only frees the patient from dependence on a machine but it is also less expensive than the more conventional forms of dialysis.

The Pastoral Care Department continues to provide a pastoral ministry to both inpatients and outpatients and to their families. During the past year, chaplains made a total of 48,209 visits with patients. They provided 923 "on call ministries" and led 262 worship services in Davis Chapel. The Pastoral Counseling Division provided 8,684 hours of counseling for 855 persons. A total of 63 students were enrolled in various levels of clinical-pastoral education. The Winston-Salem center and also the satellites in Fayetteville, Raleigh, Morganton, and Charlotte all continued to experience growth both in the types of services provided as well as in the number of people served.

During the year, our hospital again received a two-year approval by the Joint Commission on Accreditation of Hospitals.

Despite many economic pressures, our hospital continues to operate in the black. It has recently adopted a budget for the new fiscal year which for the first time exceeds $100,000,000.

Gifts from churches during the past year through the Cooperative Program amounted to $479,997 and through the North Carolina Missions Offering and designated gifts totalled $345,765. We are indeed grateful to the churches and their members for this continuing fine financial support.

RESORT MISSIONS

In my opinion, we have had the best year ever in Resort Missions. We had a total of six resort missionaries involved in various ministries on the beach. Three in the Surf City area and one each at Carolina Beach, Kure Beach, and Wrightsville Beach.

Carolina Beach continued their puppet show at the Jubilee Park on Friday, Saturday, and Sunday evenings before crowds totaling over 10,000 people. Daryl Stagg, Resort Missionary from Louisiana served in music, delivered Children's Messages at the Worship Services, conducted 6 Backyard Bible Clubs, preached at the KOA campground where a new ministry opened up during the summer.

For the first time we were able to have a Resort Missionary at Kure Beach. He was Kent Canady of Ft. Worth, Texas. Kent conducted 5 Backyard Clubs, taught Sunday School Classes, and did Beach Witnessing.

Billy Henry of Houston, Texas, served at Surf City. Billy had the "awesome" job of establishing a Puppet Ministry on the beach using the youth of the church. Billy also served along with groups from the Long Leaf Baptist Church of Wilmington and Rankin Baptist Church of Greensboro in conducting Mission Vacation Bible Schools, and 2 Backyard Bible Clubs. Billy also preached at the Surf City Family Campground, conducted youth Bible Classes, and delivered the Children's Message at the Worship Services. We also had two singing groups on the beach this summer.

Another unique ministry in the Surf City area was the Rogers Bay KOA Campground ministry. Don Pierson and his wife, along with their two children, lived in a camping trailer and served as the chaplain of the campground from Easter Sunday, April 11 through Labor Day, September 6. Don was responsible for the Morning Worship Services each Sunday where he preached before a crowd averaging 57 each Sunday in attendance. The total amount of offering was $704.39. He conducted 20 Backyard Bible Clubs with a total attendance of 290. He also provided recreation camp craft, contests, movies, musical groups for children, youth, and adults who visited the campground each week. The important ministry was the opportunity to minister in times of accidents and crises in a very personal way.

Margaret Greene from Hickory, NC served at Wrightsville Beach. Margaret had a wonderful opportunity in serving with the youth of the church in Bible Study and fellowship. She conducted recreation for children grades 1-6 at the Wrightsville Beach Park. She served with a group from St. Louis visiting a week on Mission trip in conducting Backyard Bible Clubs. Margaret spent a lot of her time on the beach just making contacts and sharing in a personal way.

We thank YOU, the people of the Wilmington Baptist Association, for your prayers and support. We thank the churches who sent out teams to minister on beaches. God has given us a good year and we are expecting an even greater year in 1983.

Respectfully submitted,

Donald Horn, Director

HOMES FOR THE AGING

The past year in our North Carolina Baptist Homes has been a good one. We have had 45 persons admitted to the ministry of our Homes and Apartments. This represents 98,065 days of special care for an average daily population of 169 persons. The Lord's blessings continue to be poured out upon us.

Great things are in store for our Homes as we look to the Lord, to North Carolina Baptists, and to the future! The Trustees made a decision of far-reaching significance at their May meeting in approving a Capital Funds Campaign. The existing needs at the Hayes Home and the Nursing Unit in Winston-Salem present a primary challenge of this campaign. With success, we will be well on our way to adding much needed nursing care beds, and resident rooms. We will also be able to provide much needed upgraded services in relation to our present Nursing Unit, and also construct a desperately needed Administration Building. We covet your prayers for the success of this effort.

Our major concern presently in our Homes' ministry is in regard to our benevolent care, assisting those who need supplementing financially. Gifts through the Cooperative Program and the North Carolina Missions Offering go a long way in undergirding those who cannot pay the full cost of care. These gifts, totalling $516,804.00, provided 57% of benevolent care. The many residents who will be looking to the Baptist Homes' ministry for their care and the 43% short fall in mission gifts will place increasing demands on the already over-taxed benevolent funds. Also, many persons on the Homes' waiting list who cannot pay the full cost of care may have a longer period to wait because of limited benevolent funds.

We believe, therefore, that if you know the need, you will respond to it by the increasing support that you will give through the Cooperative Program and through the North Carolina Missions Offering. We will be looking to the Lord and to you to help us continue to be the benevolent ministry that we have always been.

We love you, and we thank you for your love, your gifts, and your prayers. As Abraham was about to deliver the fatal blow to his son, Isaac, he asked, "Father, where is the sacrifice?" Whereupon Abraham replied, "God will provide!" And so He did! And so, we believe that you will provide!

Mrs. Colin Churchill, Representative

LITERACY

"O give thanks unto the Lord, for he is good: for his mercy endureth forever" (Psalm 107:1). God has surely blessed our work in Literacy Missions. Four workshops to train tutors were held - three in Basic Laubach Workshops and one to train tutors to teach English to Speakers of Other Languages (ESOL).

There are now five persons at the New Hanover County prison unit. Let's pray that we will be able to train more tutors who can tutor other inmates. Mary Kirkendall is doing a good work in working with this part of our ministry. We praise the Lord for Mary and her endeavors with the inmates for truly "the fields are white unto harvest."

The ESOL work continues to grow and be blessed by our Lord. The Conversational English Class continues to meet on Wednesdays at Winter Park Church. Average attendance at the classes has been 25 students.

We are especially thankful to the Lord for leading Tammy Herring into our Literacy Missions work. She is truly a long awaited answer to prayer. Too, we are thankful for all the diligent work of Joe Carpenter, who has recently become a NALA certified Tutor Trainer in Literacy and Mary Kirkendall, a Master Tutor Trainer in Literacy. The Lord has once again used Sally Lennon in a mighty way in her work with both the Basic Laubach Program and the ESOL Program.

There were 123 English speaking students tutored by 54 tutors. This group is composed of adults and school students. There are 40 persons being tutored in the ESOL work.

We give special thanks to the Lord for the continued prayers and support of our Wilmington Baptist Association. We ask that you continue to pray for our work in Literacy Missions.

SEMINARY EXTENSION

The Wilmington Baptist Association Seminary Extension Center is part of the largest Seminary body in the world. It enables men and women of all academic levels to learn and develop their God given talents. If you have a need or feel a desire to pursue a course of study, you should contact the Associational Office.

In September of 1981, a class of Old Testament survey was begun at Hampstead Baptist Church under the direction of Reverend James White III. The course met once a week for nine weeks with eighteen enrolled.

In January of 1982, by special request, a course of Evangelism met at Southside Baptist Church led by Reverend Vincent Wall. It was taught for nine weeks with an enrollment of twelve persons.

Our congratulations to those who increased their talents given to them by our Heavenly Father.

MISSIONS AND CHURCH EXTENSION

The efforts of the Missions and Church Extension Committee for the year of 1981-1982 has been to lay a foundation for an expanded ministry of the Association both at home and in other areas. These efforts have directed into four avenues:

1. Plans were made and are being finalized to conduct a door to door survey to assist the Howard Association in Maryland as partners in an effort to strengthen the Christian witness there.
2. A Korean Fellowship is being organized in cooperation with the North Carolina Baptist State Convention at Ogden Baptist Church.
3. A Spanish Church is being organized in cooperation with the North Carolina Baptist State Convention at Lake Forest Baptist Church.
4. The Association is seeking to secure a church planter to work in cooperation with the Home Mission Board to begin new work in our area.

It should be noted that all of these activities are in the beginning stages. Therefore, the Missions and Church Extension Committee requests your suggestions and your prayer support as they endeavor to help develop the most effective Christian witness possible in our Association.

SEAMEN'S SERVICE CENTER

The Seamen's Service Center is gaining momentum here! Over 5,000 seamen use this facility yearly. Through the efforts of the chaplains at the centers world-wide, there are now 20-25 Christian seamen who minister and witness to other seamen with whom they work. A Christian Indonesian seaman preaches in every port he goes. He led his Muslin captain and the captain's family to Christ. Another young man found Christ at the Seamen's Center in Singapore. A new Christian, he came through the Wilmington Center where he was taught Christian hymns by volunteers, at his request, so he could witness through hymns.

The Bible ministry continues to grow. In 1981, 577 Bibles in 32 languages were purchased and given to seamen. From January through September, 1982, 415 Bibles in 33 languages were purchased and given to seamen. The cost of Bibles ranges from $4.00 to $10.00 with most of the cost coming from donations for that purpose. The most requested Bible is the English language with 100 having been purchased in 1982. The next most popular Bibles are Polish, Arabic, Portuguese, and Spanish Protestant. Tagalog, the Philippine language, one of the more expensive, is also much requested. It is hard to get and required a nine month wait this year.

Another way the ministry of the Seamen's Service Center is reaching out is shown by the following incident. Recently a letter was received from Spain. A young man from Ghana who is studying at the University in Barcelona had heard about the local Seamen's Center. He was asking about getting an English language Bible to study English. Many seamen study and learn English from the Bible. What a great Book to study!

The phone ministry continues to grow. The seamen are able to touch home through calls to their homes all over the world. They, of course, pay for this service. In 1981, a total of 1,000 calls were made at the cost of $11,500.00. 1982 shows an increase with 960 calls at a cost of $11,800.00 being made the first nine months of the year.

In 1981, 249 gifts for Christmas were purchased and given to seamen. They were purchased with $357.00 in donations for that purpose.

BIBLICAL RECORDER

Workers change but the work goes on. This is the simple message from the Biblical Recorder this year.

Marse Grant, editor for nearly 23 years, retired September 13, his 62nd birthday. Succeeding him will be R. G. (Gene) Puckett who has served as editor of two other Baptist state papers and associate editor of a third one.

He came to the Recorder from the position of executive director of Americans United for the Separation of Church and State where he was also publisher of the magazine, Church and State.

Editorials and letters have praised his ability. In addition to his 20 years of editorial work on Baptist papers, he has been pastor of churches in Kentucky, Ohio, and Florida. He was interim pastor of the largest Southern Baptist Church in Maryland, the Middle River Church near Baltimore. He will carry on the tradition of our Baptist state paper as it looks forward to its 150th anniversary next January 17.

It has not been an easy year for the Biblical Recorder, primarily because mailing costs increased 160 per cent, from $2,500 a week to $6,500 a week. Another increase may come this fall. The Recorder has been through hard times before and will make it this time, thanks to the continuing support of North Carolina Baptists.

Please remember the new Recorder editor and his family. As his schedule permits, he will be speaking in churches and in associational meetings. He wants to know more about our state and these appearances will help him. Remember him in your prayers as he undertakes this difficult and demanding job.

C. G. Berry, Chairman

ANNUITY BOARD

"SOLID GROWTH AND EXPANDING ACHIEVEMENTS"

"Despite the economic problems in the nation, 1981 was a year of solid growth and expanding achievements with record number in assets, benefits paid and member accounts," said Darold H. Morgan, president of the Annuity Board of the Southern Baptist Convention.

A key statistical highlight in 1981 was a 10 per cent 13th Check was sent to annuitants who retired before 1980. Those annuitants who retired in 1980-1981 received their 13th Check bonus in their monthly checks.

The Wilmington Baptist Association has 41 churches and 62 staff members participating in the retirement program. Of this number 8 are still participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10% of total salary for staff members.

CALLING THE ROLL

North Carolina Baptists have founded and continue to support seven colleges and universities. This number is second only to Texas, which sponsors eight Baptist schools. What are the names of the North Carolina Baptist colleges, and where are they located? Perhaps calling the roll will prove helpful. Imagining a map of the state and reading from left to right, the Baptist colleges are:

Mars Hill, in the mountains 18 miles north of Asheville, in the town of Mars Hill;
Gardner-Webb, in the town of Boiling Springs, nine miles from Shelby and not far from the South Carolina border;
Wingate, 30 miles east of Charlotte, in the town of Wingate, also near the South Carolina line;
Wake Forest, in the centrally located city of Winston-Salem;
Meredith, in the capitol city of Raleigh;
Campbell, 30 miles south of Raleigh, in the town of Buies Creek;
Chowan, in the Northeast town of Murfreesboro, and not far from the Virginia state line.

LOOKING INSIDE

During the 1981-1982 school year, there were 15,798 students and 1,768 faculty and staff comprising the human side of the seven schools. Foreign students numbered 224 from 57 countries and territories from Australia to Zimbabwe. North Carolina Baptist college students are preparing for a variety of vocations, for example: church-related vocations, 665; teaching, 1,314; medicine (including nursing), 1,329; law, 961; social work, 384. Approximately 9,700 of the students received financial aid. The seven colleges have practiced the ministry of Christian education for a cumulative total of 757 years. These colleges are proud of their Baptist heritage and are wanting to be effective missions partners with the churches.

SERVING THE CHURCHES

The business of Baptist colleges is the education of young people. This is the primary service provided by the colleges to the churches. The college presidents have asked that the churches -- pastors and lay people alike -- help them by pointing young prople from the churches toward Baptist colleges. Often there are Baptist youth who would prefer a Baptist college, but who fail to apply out of the belief that they cannot afford the cost. It is often the case that a person can attend a Baptist school as inexpensively -- sometimes more inespensively, depending upon the aid available -- as he or she can attend a state institution.

GRATITUDE

For students, for generous support through the Cooperative Program and for a meaningful place in the great mission to the world, your Baptist colleges are grateful.

There are several young men and women from Wilmington Baptist Association churches attending these colleges.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

The Coastal Area Family Services Center was established in April, 1981 and provides all services of our statewide Institution to six counties: New Hanover, Pender, Onslow, Cartaret, Pamlico, and Brunswick. Social work, counsel, and referral are offered by Burnie Collins, Area Director, from his Jacksonville office in the New River associational office building. Service has grown to the point that a social worker will be added to the staff there soon.

Emergency care can now be provided within the Coastal Area Family Services Center at the Jennifer Brown Home, Supply, North Carolina. Whenever that facility is full, of course, care can still be provided at one of the other seven emergency care homes.

The Baptist Children's Homes has affected the lives of more than five thousand people during the past twelve months. With more than a dozen programs of care and with services being offered from twenty-five locations across North Carolina. Baptists can be confident that the Baptist Children's Homes is seeking every means possible to serve needy people in Christ's name.

The quality of life for our children has been enhanced this year by the addition of a therapeutic recreation team. Mr. and Mrs. Jim Martin have a fine background that will enable them to help our staff statewide to plan and provide recreation with purpose. They work out of Thomasville.

A new 16 mm. thirty minute film was released in July called "You Needed Me" and is available for use in our churches. Contact the Children's Homes to schedule this inspiring, instructive film.

We are grateful for the continuing support of our fellow Baptists through the Cooperative Program, the North Carolina Missions Offering and designated gifts. Like everyone else, we are being affected by shortfalls in anticipated income. Programs have to be adjusted but we are careful to maintain quality care for those whom we serve.

NORTH CAROLINA BAPTIST FOUNDATION, INC.

When the Foundation was chartered in 1920, the North Carolina Baptist Foundation was charged with the responsibility of promoting the making of gifts, receiving and managing the gifts, and distributing the income earned from the investment of those gifts to the objects and causes specified by their donors. The charter further provided that those disignated causes should be any and all objects and causes of the "Missionary Baptist denomination."

Today, the purpose remains the same. Baptist Foundation is the only agency of the Baptist State Convention which receives gifts for all Baptist causes: the colleges, universities and seminaries, Baptist Homes and Children's Homes, Baptist Hospital and the school of medicine, churches and associations, Foreign and Home Mission Boards, special mission offerings, Cooperative Program, and all other concerns of Baptists.

During 1981, new trusts were created and old trusts had additions which together totaled $855,991.00 bringing the assets in all trusts to almost five million dollars. (Real estate is stated in the assets at the value when given, which is on the books at approximately 2.4 million dollars less than the current market value.)

Through the trusts created prior to 1981, investments earned $418,529.70 during 1981 for distribution to beneficiaries named by the trust donors. During the years of the Foundation's existence, the sum of $2,610,299.00 has been distributed to all beneficiaries of trusts held by the Foundation, all according to the instructions provided by the donors.

The objective and future plans of the Foundation are summarized in a brief phrase - promoting mission support through estate stewardship. Through conferences and seminars, through counseling with individuals and speaking to church groups, the Foundation will continue to support North Carolina Baptists in their efforts to become better managers and stewards of their material possessions. Through its role as trustee agency, the Foundation will serve North Carolina Baptists by enabling them to enjoy Christian stewardship in its fullest sense - even after death.

An Estate Planning Seminar was held in Wilmington October 4 - 5, 1982, for the pastors and staff of the Association.

DIRECTOR OF MISSIONS

A major part of my work for the first year as Director of Missions of the Wilmington Baptist Association has been to locate the needs of the people who live in this geographical area. Dr. Ernest Upchurch and Mr. Bob Watson, consultants for the Baptist State Convention, and I began a ten year study of the association and a search to find out who lives within our boundaries. This report was formally presented April 20, 1982, at a special called meeting of the association. The contents have been used as a basis for several other meetings throughout this year. As this information is assimilated by the association, it will become a guideline for the thrust of our work for the next eight years.

Several Mission Thrusts have been operating throughout this year. A Korean Fellowship is in its third meeting. It has been conducted by Reverend Ho Chong Paek of Fayetteville for three months, but now Reverend Sei Hun Kim of Wake Forest is leading the fellowship. Thirteen persons are attending the fellowship. Ogden Baptist Church is the sponsoring church.

A Hispanic Fellowship met for the first time September 22, 1982, under the direction of Reverend Maricio Vargas. Nineteen Hispanics were present. Lake Forest Baptist Church is the sponsoring church.

The North Kerr Mission was reorganized in the Spradlin Memorial Baptist Church building. The First Baptist Church of Wilmington sponsored a people search and worship services for three (3) months with no apparent support from the community. Reverend Johnny A. Phillips, associate pastor of First Baptist Church, conducted services and the Missions Committee helped with the worship hour. The mission was closed in July because of lack of support by the community.

The Resort Committee expanded to Rogers Bay KOA Campground with a full-time summer chaplain. Donald and Patricia (Trish) Pierson along with a young son and daughter lived on the campground and ministered to campers. Tremendous results were maintained during the summer.

An Emergency Care Committee was organized to study the feasibility of building an Emergency Children's Care facility in this association. After careful study, the committee reported that there is a need. The cost of building and maintaining such a house is more than the committee feels the association can undertake at this time. There is a home already located in the neighboring Brunswick Association. The suggestion was made at the General Baord Meeting in July that we sell our lot on Wellington Avenue which was bought to build a facility and that we give the money plus any other additional money to the Baptist Children's Homes of North Carolina to be used as they see the need.

The Executive Committee appointed a committee to study the possibility of a Missionary Furlough House to be located in this association. The committee will suggest to the association at the annual meeting that we pursue this opportunity further.

The Pastor's Conference of the Association was involved in learning how to conduct a Spiritual Directions Weekend. This workshop was conducted

by Harvey Whaley, pastor of Wrightsboro Baptist Church. We co-sponsored with the Baptist State Convention a Preaching Improvement Conference at Caswell. The pastors of this association helped by being convenors during small group times. We also invited Mr. Sam O'Neal, Annuity Consultant for our State Convention, to share with us the news about the annuity program. Sam came back to the association in August to meet with us individually to show us what our present annuity will be worth to us at retirement.

The Wilmington Baptist Association was involved in a year of Missions awareness and Outreach education. We conducted a People Search in October of 1981. The R. A.'s manned a County Fair Booth in October, 1981, which 500 boys registered. These names were given to pastors of local churches to visit and to get involved in the local church R. A. groups.

A Here's Hope Simultaneous Revivals was conducted this year. Forty-one churches were involved. A total of 31,293 persons attended, with 95 additions, 82 professions of faith, 76 baptisms, and 2,749 rededications. The air of revival is still prevailing.

Eighteen churches were involved in a Sunday School Enlargement Campaign January 9 - 13, 1982. Dr. Eugene Skelton of the Baptist Sunday School Board in Nashville led the campaign. A report of the campaign is in the Sunday School report.

Our effort to involve the community in knowing about the Wilmington Baptist Association has culminated for the past two years in a Royal Ambassador Float in the North Carolina Azalea Festival at Wilmington. We proudly look upon this float as a method of showing people that we stand for Jesus Christ. A certain reverency is felt as the float passes through the streets of Wilmington.

The Wilmington Baptist Association searches for new ways of encouraging our 23,400 members. A Prayer for Spiritual Awakening Seminar was conducted October 8-9 by Reverend Glenn Sheppard, Consultant for the Home Mission Board. A Spiritual Retreat was conducted at Camp Kirkwood for the G. A.'s. The Youth Committee sponsored a retreat and three concerts by Christian entertainers, "M" Night was a success with Maurice Cooper, Director of Church Training for the Baptist State Convention, leading us in an inspiring sermon about discipling Christians. The entire State Church Training office also conducted a mini-conference during "M" Night. Ms. Doris Morgan, Children's Bible Drill Coordinator for our State Office, led us in a training session for Children's Church Training Workers. At the same time, special sessions aimed at instilling interest in children to learn Bible passages was led by Church Training Special workers.

Mr. Warren Mallard, Church Development Director for the Mecklenburg Baptist Association, conducted a conference designed to help Sunday School workers get a handle on the Nine Principles of Sunday School Growth.

Three of our churches showed concern for sister churches and did something about the concern. Lake Forest Baptist Church bought a new sign for the Immanuel Baptist Church. Riley's Creek Baptist Church Men painted the wood trim and reconstructed the steeple for the Pine View Baptist Church. Pine Valley Baptist Church loaned Greenfield Baptist Church three Sunday School Teachers to help them begin some new Sunday School classes.

A new project was brought to the association this year. A Pine Derby

Race for youmger R. A.'s was conducted in September, 1982. Fifty-seven boys participated along with several adult counselors.

Several of our churches participated in the West Virginia Project. One Baptist Men's Group went to Guatemala to do mission work, and contact was made with the Howard Baptist Association, Maryland, in order to coordinate with them this year in a Bold Mission effort.

The Executive Committee of the Wilmington Baptist Association along with active committees composed of representatives from the 54 churches have been instrumental in making this year a special year. The dedication of the Moderator, Ray Potter, of Sunset Park Baptist Church, and the 23,400 persons who make up this association make this a great place to serve. All of the above coupled with a staff of hard working persons, such as, Marsha Cook, Christian Social Ministries Director; Linda Carroll, secretary of 10 years; and Charlotte Nicklin, secretary, causes the work of mission and ministry to be produced in this association. I thank you, the Wilmington Baptist Association, for joining together to see that we minister to as many people as is possible in our geographical location.

CHRISTIAN ACTION LEAGUE

The Christian Action League is grateful to God for the opportunities that He has provided in the past year to have a BOLD witness concerning current moral and ethical matters.

I. PRESIDENTIAL COMMISSION ON DRUNK DRIVING: The League was involved in the initial request to President Ronald Reagan concerning the naming of a Presidential Commission to study ways to reduce the needless slaughter of 26,000 people annually upon our highways due to drinking drivers. He responded to this request and named 26 prominent Americans who will look at the Drinking and Driving problem on a national basis and will make recommendations to the states in ways to deal with this carnage.

II. GOVERNOR'S TASK FORCE ON DRUNKEN DRIVERS: When the idea of a Presidential Commission on Drunk Drivers became certain, the League called upon Governor James B. Hunt, Jr. to name a NC Task Force on Drunken Drivers to study this growing problem from our state's perspective and explore ways to remove that irresponsible element from our highways who insist on drinking and driving. The Governor accepted this recommendation and named a panel of outstanding citizens to conduct public hearings throughout our state and seek solutions to this growing problem. Public Hearings were held in Raleigh, Asheville, Charlotte, Winston-Salem, Greenville, Fayetteville, and Wilmington.
The League promoted attendance at these hearings and enlisted speakers who made pertinent recommendations or shared personal tragedies due to drinking drivers. The Task Force will submit its recommendations to the governor. These will be compiled into the Governor's Crime Commission's legislative program for the 1983 session of the General Assembly.

These recommendations will include such provisions:

1. Raising the legal drinking age to 21 for the sale, possession and consumption of all alcoholic beverages.
2. Mandatory jail sentences for convicted drunk drivers.
3. Abolish the practice of plea bargaining for convicted drunk drivers. (Currently, many are allowed to plea guilty to a lesser offense like careless and reckless driving, etc.)
4. Prohibit open containers of any kind of alcoholic beverage in a motor vehicle.
5. Prohibit public consumption of all alcoholic beverages.
6. Provide victim restitution due to alcohol-related accidents through additional taxes on alcoholic beverages.
7. Enact a DRAM law which will make the retailer criminally responsible for accidents caused by intoxicated patrons.
8. Abolish the practice of granting limited driving privileges for convicted drunk drivers.

III. STATE-WIDE CONFERENCE ON OBSCENITY: This historic event was held in Greensboro on March 30, 1982, when foremost national authorities were brought to our state to explore ways that we can rid North Carolina of the reputation of being the nation's "Smut" capital. Due to the loop-holes that now exist in our obscenity laws, our state has more x-rated theaters and "adult" book stores (sex shops) per capita than any other state. The conference attracted some 500 participants and about 100 were law enforcement personnel.

IV. SUCCESSFUL REFERENDUMS: Pro-liquor-beer-wine forces were defeated in the following campaigns:

1. Cabarrus County: On-and-off Premises Beer-Wine Sales.
2. Union County: Off-Premise Beer-Wine Sales.
3. Arlington (Yadkin County): ABC Liquor Stores.
4. Jonesville (Yadkin County): ABC Liquor Stores.
5. Wilson (Wilson County): Liquor-By-The-Drink.
6. Forest City (Rutherford County): ABC Liquor Stores and Off-Premises Beer-Wine Sales.
7. Oakboro (Stanley County): ABC Liquor Stores and Off-Premises Beer-Wine.
8. Stoneville (Rockingham County): ABC Liquor Stores
9. Boone (Watuga County): ABC Liquor Stores.
10. Lenoir (Caldwell County): Liquor-By-The-Drink and Off-Premises Beer Sales.
11. East Bend (Yadkin County): ABC Liquor Stores
12. High Shoals (Gaston County): ABC Liquor Stores and Off-Premises Beer-Wine Sales.
13. Manteo (Dare County): Liquor-By-The-Drink.

The Christian Action League is also grateful for prayer and financial support of the churches of this association. Through the North Carolina Mission Offering, the League will receive $22,000 this year which is 19% of our budget. The remainder of our operating expense comes from churches that have us in their budgets or through personal contributions. Without your continued support, we will not be able to remain on the cutting edge of moral and ethical issues that confront us.

May we always remember: "All that is necessary for evil to flourish is for good people to do nothing."

Thomas M. Freeman, President

CHURCH TRAINING

Your Associational Church Training Council began its work this year by planning and implementing our annual "M" Night. This year we met on a Sunday evening, November 22, rather than the traditional Monday. Our purpose in doing so was twofold. First, we wanted to provide a period of "on the job training" for those in attendance in that we had a "mini" Church Training session for each age group and then the staff of the State Church Training Department offered leadership conferences. Afterwards, we gathered for a time of celebration as Reverend Maurice Cooper, State Church Training Director, led us in worship. We do appreciate the support of the pastors in our Association as they participated with us in trying this new approach. We had 349 persons in attendance as 20 churches were represented. We met at Winter Park Baptist Church.

During the course of the year, our Church Training Council participated in various state and regional training opportunities. Attendance at such sessions better enabled us to meet the needs of the churches as they contacted us for assistance. We have been able to assist four churches in beginning new programs.

This year a new administrative guide compiled by Dr. Roy Edgemon, Church Training Director for the Southern Baptist Convention, has been introduced. It is our hope that this book, Equipping Disciples Through Church Training, will be taught in our Association during the coming year.

Our Association was well represented this year in the areas of Children's Bible Drill and Youth Speaker's Tournament. We had 5 participants in the Children's Bible Drill and all 5 were regional "winners" (Tricia Busick, Lynn Keith, Jeanne Lyn Strickland, Amber Simmons, and Amy Willoughby all from Winter Park Baptist Church). Miss Rita Durbin of the Silver Lake Baptist Church was our Associational representative for the Youth Speaker's Tournament. She was a winner at the Regional level and participated at the State level. We are very proud of these young ladies and the churches that supported their endeavors.

Our final "event" of the year took place on September 20, 1982, with our Association hosting the Regional Bible Skills Rally at Winter Park. 45 children and 32 leaders participated in this Rally with 12 churches represented, 6 from our Association. Doris Morgan, a consultant for our State Church Training Department, and David Tiller, a consultant from Nashville, led us as we studied new ways to encourage children in the area of Bible skills.

My thanks to Mrs. Ruth Murray, Adult Director; Mrs. Katherine Godwin, Youth Director; Mrs. Barbara Johnson, Children's Director; Miss Martina Simmons, Preschool Director; and Reverend Clinton Hardee, New Member Training Director. These folks have served you well as your Church Training Council.

My prayers and support go to Reverend Paul Nix as he begins his work as your new Associational Church Training Director. Thank you for allowing me the opportunity to serve you in the area of discipleship development.

WOMAN'S MISSIONARY UNION

This year, 1981-1982, WMU was in the final year of a three year emphasis on Life-Changing Commitments, and, with other Southern Baptists we have helped present the gospel to all people everywhere through bold growing, bold going, bold giving, and bold praying. The year began with most churches observing a "Bold Day of Commitment" with members committed to undergird Bold Mission Thrust.

Our age level organizations have each held associational activities throughout the year which have promoted missions. The Foreign Mission Emphasis was French Speaking West Africa. The Home Mission Emphasis was Challenge of the Cities. A Week of Prayer was held in connection with each. WMU Focus Week was observed in each church as members were made more aware of the importance of WMU in missions support. The Cooperative Program, Association Missions, Lottie Moon, Annie Armstrong, and North Carolina State Mission offerings were given special emphasis.

Again this year our Association received Distinguished Recognition at the State Annual Meeting.

Our 71st Annual Meeting was held at Murray Memorial Baptist Church with "Mission Challenges" as our theme. Challenges were presented by Charles Lewis, Reverend and Mrs. Robert Hensley, and Reverend Bobby Stafford with music presented by Mrs. Claudette Philips.

WMU Leadership Conferences were held September 13, 1982, at Wrightsboro Baptist Church. They were repeated at Forest Hills Baptist Church, Burgaw, on September 21, 1982. Approximately 325 persons attended.

The 1981-1982 Watchword was Isaiah 6:8 "Also, I heard the Voice of the Lord saying, whom shall I send and who will go for us? Then said I, Here am I, Send me."

We pray that many have caught a new mission vision and made life changing commitments by a positive response to God, self, and others.

ORDINATION ADVISORY COUNCIL

The Ordination Advisory Council, on request, has examined five candidates for the Gospel Ministry.

First Baptist Church of Wilmington requested the Council to examine Donald T. Vigus.
Temple Baptist Church requested the Council to examine Jim Duvall.
Myrtle Grove Baptist Church requested that the Council examine Keith Sellers.
Long Leaf Baptist Church requested the Council examine Giles Butler.
Gibson Avenue Baptist Church requested the Council examine Otto Pridgen, Sr.

The candidates were examined on their religious experience, conversion, call to the ministry, doctrines, education plans, attitude toward the Association, the Baptist State Convention of North Carolina, the Southern Baptist Convention, the Cooperative Program and his cooperation with other churches.

The members of the Council have performed their work in a serious manner to insure the purity of our doctrines, to strengthen the fellowship between Baptist Churches, and to let the candidates know what is expected of them as pastors of Baptist Churches. God continues to call men to the Gospel ministry; and, as long as He does, we have the responsibility, and privilege to guide and encourage them in this work.

The Council voted unanimously that each of the churches proceed with the ordination of the candidates. It is a pleasure to have a part in this all important task of assisting men to fulfill God's will in their lives.

Respectfully submitted.

A. L. McGee, Chairman

YOUTH

The Associational Youth Activities for 1982 have been well attended and successful. We have had two retreats and three contemporary Christian concerts. The Spring and Fall Retreats were held at Ft. Caswell and were attended by 175-200 youth. Doug Oldham along with First Baptist Church of Jacksonville, Bridge, and Glen Garrett provided the programs for the three concerts. Approximately eleven churches participated in the well planned activities.

CHURCH MEDIA/LIBRARY ORGANIZATION

The Associational Church Media/Library Organization (TACMO) has had four regular meetings and two Key Leadership Conferences during the year. One more TACMO Meeting is scheduled for Winter Park Church on Monday evening, October 25, 1982, at eight o'clock. At least one representative from the Hampstead Baptist Church is expected to attend, thus being the first to attend from that church for several years.

The October 26, 1981, meeting at Long Leaf Church brought in three who had never attended before nor had their two churches been represented before.

The January 25, 1982, meeting was at Southside Baptist Church. Their relatively new library is in a grand, central location, and is well organized.

April 25, 1982, meeting was a day meeting at First Baptist Church of Burgaw, which also has a centrally located, well organized library. Another church was represented for the first time.

The July meeting was on the 26th at Masonboro Baptist Church. Their media center recently moved into a new, larger, and centrally located area, at which their circulation has more than doubled.

The Key Leadership Conferences in August at Long Creek and Southside Baptist Churches brought opportunities for sharing, promotional planning, and problem solving which had not been covered in the other meetings.

So far, thirty members from twelve churches have attended, with Temple Baptist Church taking the lead with the highest attendance for the year.

According to the 1980-81 report, seventeen churches were without media libraries. At present, I have no record of twenty-three churches reporting a library for 1981-1982.

If your church is one of those not reporting a media library and you want one, free help is available through the associational office, or through your TACMO officers. If you fail to reach us at our homes, we can always be reached through our churches.

UNITED CHRISTIAN CAMPUS MINISTRY UNC-W

This year, 1982, UCCM Board of Directors has chosen to work on a program year that matches the calendar year. At the conclusion of this year, we will have almost three complete years developed by the board and its present staff.

We continue to work with the Campus Christian Fellowship which began this semester's activities with a watermelon feast involving close to 150 students and its regular Tuesday night programs with approximately 100 students present. At that meeting, Bob Haywood spoke on the theme "Seeking the Mind of Christ." Campus Christian Fellowship continues to be the largest student organization at UNC-W and is developing a series of small group Bible studies. There will be seven small groups meeting this semester on and off campus. Two retreats were planned, one last semester under the theme "Understanding the Scriptures" and one in September 17, 18, 19 with the theme "Our Place in His World," a study of Christian vocations led by Bob Clyde, B.S.U. Director from East Carolina. Bobby Stafford, Director of Missions of the W.B.A., continues to meet with the CCF Steering Committee and work particularly with Steering Committee members in charge of Outreach and Service. One of our goals was to expand staff energy to work with students and beginning this semester, Steve Hinckle has been provided through Inter-Varsity to work with Bob Haywood through the Board of Directors and particularly to help the development of the small group activities of CCF. CCF is also involved in Operation Outreach this semester, the Hunger Action Program planned in association with World Vision. Last semester and this, Bob led a small group called "Seekers" particularly aimed at students seeking a more mature form of discipleship than they were finding elsewhere.

Beyond a question of Fellowship, Bob has increased his relationship with Student Affairs and is working on the UNC-W Alcohol Awareness Task Force, helping Associate Dean Abby Hastings in her program areas involving international students and non-traditional students (students over 22 years of age). Last semester Bob led a support group for non-traditional students to talk about their particular concerns and needs. This semester Bob will be working with the Residence Hall staff people as part of their training program and has already been called upon by several RA's to deal with some personal crisis on the part of students. Bob continues to write a weekly column for the student newspaper The Seahawk with the title "Stillpoint." He is also working with Student Affairs to develop freshman orientation groups with students and at present there are three groups of freshman meeting weekly for the first four weeks of the fall semester.

This semester got off to a most successful start. Bob was able to introduce himself and Campus Ministry to 900 freshman at the June orientation, 600 freshman and transfer students at another orientation in Autust. UCCM also provided free drinks for the students at registration on August 20th and served over 2,000 cups while meeting a lot of students who were coming to UNC-W. He was also invited and had a chance to speak at a "Potluck" supper that the senior nursing class was giving the incoming nursing students. There he met and visited with about 100 of those students. He also spoke at the non-traditional student orientation on Sunday, August 22nd. He has also been invited to serve on Student Affairs committee interviewing new applicants for the position of Vice-Chancellor of Student Affairs, and to participate in a two day Student Affairs retreat in October. He works with Abby Hastings in co-leading a Tuesday morning breakfast meeting of student campus leaders in an effort to help them develop their skills and to share common concerns.

Counseling continues to play a major role with a significant increase in counseling members of the faculty and staff as trust develops between staff people and Bob.

Another successful event for the beginning of this year involved Church Day where 24 churches came on campus for a two hour period on Thursday afternoon and gave away free refreshments in order to meet students who might be interested in their church. The churches were pleased with the response to them on that day and several have since indicated that students have come to participate in a worship the following Sunday because of contacts made that day. A resounding success!

Also, last year over 150 students participated in a Christmas Candlelight Communion Service at St. Matthew Lutheran Church on the last night of classes of the fall semester.

A major concern of Campus Ministry relates to funding as support from some of our denominational sources is diminishing rather than increasing. UCCM will have to come to terms with this in the immediate future.

Johnny A. Phillips, Chairman

SUNDAY SCHOOL

The 1981-1982 year has been a great year for Associational Sunday School work. The twelve member Associational Sunday School Improvement Team (ASSIST) has been very helpful in upgrading and encouraging Sunday School work. We are grateful for the Assist Team who volunteered their time to train, lead, and aid the association in Sunday School work.

This year the Assist Team led a two night Sunday School Conference teaching the Guiding Books, April 5 and 6 at Calvary and Temple Baptist Churches. We had two State workers assist in this conference. Members of the team aided several churches in their particular age group.

Third quarter Growth Spiral report of the Sunday School Enlargement Campaign:

Sunday School Enrollment up 600
3720 Prospects Identified
15 New Units Formed
66 More Workers
65 More Persons Visiting Each Week
Sunday School Attendance down 171
Baptisms up 21 Per Quarter
(17 of the 18 Original Churches Reporting)

The Assist Team went to Fayetteville, NC where they received training about the Guiding Books and Resource Kits. The purpose was to equip them to lead the conference held in April. The content of the conference was to help leaders to understand how their age group learn, to plan meaningful learning

experiences, and to evaluate the roles of both the leader and the learner.

The Vacation Bible School Team attended Wallace for training in February. The team is to be commended for their performance which helped a great number of workers prepare themselves for work in their local church. Three general Clinics were held and one Backyard Bible Club/ Mission Vacation Bible School Clinic was held with a total of 32 churches participating with an attendance of 206.

The Backyard Bible Clubs this year were a tremendous success with 25 Churches having Clubs. There were a total of 144 Clubs and 2 Mission Vacation Bible Schools with an enrollment of 2,245 students and 200 workers. As a result of this dedication, there were 95 prospects and 13 professions of faith. Only the Lord will know of all the seeds that were planted and what the harvest will be.

Awards for the Fastest Growing Sunday School of the Wilmington Baptist Association are as follows:

Wrightsboro -	Greatest numerical increase in enrollment - 214	475-689
Rocky Point	Greatest percent increase in enrollment - 58%	88-150
Wrightsboro	Greatest numerical increase in attendance - 37	229-288
Rocky Point	Greatest percent increase in attendance - 67	51-76

The Southern Baptist dream is that everyone hear the gospel and have a chance to respond to Jesus Christ in a personal commitment. It can become a reality and is reachable. Let's Go To Work!

EVANGELISM

Reports are still coming on the "Here's Hope" Joint Evangelistic Crusade held in March and April, 1982. Interpretation Meetings were held across the state to suggest plans and basic thrusts for the Joint Crusade effort, sponsored jointly by the Baptist State Convention of North Carolina and the General Baptist State Convention. Churches conducted "People Search" and Lay Evangelism Schools, followed by local revivals. Figures to date indicate 2,932 professions and 34,266 rededications, with only 36 of our 80 associations being complete in their reporting.

The Wilmington Baptist Association's GRAND TOTALS for the Here's Hope Revivals are as follows:

Attendance	31,293	Additions	95
Professions of Faith	82	Baptisms	76
	Rededications	2,749	

"Here's Hope North Carolina" was the theme for the 36th annual Statewide Evangelism Conference, February 8-9, 1982, in Greensboro, with 2,500 people in attendance; the best consistant attendance in recent years.

For many youth, this year a week at Caswell was the highlight of the summer, with Barry Wood teaching about discipleship during the Youth Evangelism Week. This was the year the Youth Evangelism Conference expanded to three - Asheville, Greensboro, and Fayetteville. These were tremendously successful meetings, with the largest number of youth ever attending.

As we move toward the time when Growing an Evangelistic Church will be our major planning tool and CWT will be the new witness training method, some pilot churches have started the programs. The Key Leadership meeting at Ridgecrest introduced the associational evangelism chairmen to Growing Evangelistic Churches in North Carolina.

The Statewide Evangelism Conference will be held in Charlotte's Ovens Auditorium during February 7-8, 1983, with Dr. Wayne Ward leading Bible Study; Dr. Landrum Leavell, Dr. B. O. Baker, Dr. Joe Ford preaching, and Dick Baker leading the music.

On February 1, 1982, J. W. Hutchens, Jr. became the Director of the Division of Evangelism for the Baptist State Convention of North Carolina.

CHILDREN'S SHELTER COMMITTEE

The following comes as a report and a recommendation to the executive committee from the children's shelter study committee. Report is in four parts. Recommendation follows:

REPORT OF CHILDREN'S SHELTER COMMITTEE
Johnny Phillips, Chairman

I. After a valid study and much discussion with our committee and others, we found there was a need for a children's shelter ministry in our area.

II. After a valid study and much discussion, we determined the cost of our entering the children's shelter ministry was more than our association could afford at the present time, without it affecting our other programs and ministries.

III. After much discussion in our committee and with key leaders, we feel that all assets held in money, property, and/or trust should be sent or released to the North Carolina Baptist Children Home, Thomasville, NC with a letter asking them to keep in mind that we might call on them for financial assistance in the future.

IV. After much study and review by our committee we feel the children's shelter line item should be deleted from our present budget, and the children's shelter ministry be placed in our long range plans for the future, as our study shows there is a need for this ministry in our area.

RECOMMENDATION OF CHILDREN'S SHELTER STUDY COMMITTEE
Johnny Phillips, Chairman

The children's shelter study committee recommends and requests the executive committee to join us in bringing the following recommendations to our annual session. The children's study committee brings the following recommendations:

I. After much study and consideration, we recommend that the children's shelter ministry be removed from our present budget. We also recommend that all monies in this account, and all monies recovered from sale of property and trust accounts be sent to the North Carolina Baptist Children Home, Thomasville, NC with a letter of appreciation for their help in the past as well as in the future with a notation we might call on them for financial assistance in the future.

II. The children's shelter ministry be included in our long range planning calendar for consideration in this area of ministry in the future.

Thank you for allowing us the privilege of doing this study.

The Children's Home Study Committee

There was an introduction of all members.

The Moderator noted the makeup and responsibilities of the Executive Committee, sharing thoughts for projecting plans for Associational work.

OLD BUSINESS:

(1) On the Committee to study the Child Care Shelter (see September 8, 1981) Johnny Phillips volunteered to serve, if the committee had not been appointed.

IN MEMORIAM

REVEREND THOMAS KENYON WOODY, JR.

Thomas Kenyon Woody, Jr. was born on May 11, 1912, in Wilmington, N.C. At an early age, he united with the First Baptist Church of Wilmington. He was licensed to preach by the First Church on September 9, 1931. Later, on July 19, 1939, he was ordained to the Gospel Ministry by First Church. During these early years, he studied God's Word and learned about Southern Baptist faith and doctrine from the late Dr. J. Marcus Kester and Dr. Sankey Lee Blanton, then ministers of First Baptist Church.

Mr. Woody was married in 1941 to the former Grace DuVal. They have two children, Peggy Woody Schumann and Thomas Kenyon Woody, III, and three grandchildren. Mrs. Woody is a member of Olivet Baptist Church.

He attended Wilmington public schools and graduated from New Hanover High School. His formal education in theology was gained at Wake Forest University and Southwestern Baptist Theological Seminary, Fort Worth, Texas.

Reverend Woody ministered faithfully for over 35 years in Eastern North Carolina. His first pastorate was at Pollocksville Baptist Church in 1941. Later he was pastor at Calypso Baptist, Bear March Baptist, Macedonia Baptist, and Sharon Baptist near Fayetteville. He pastored several churches in the Wilmington Baptist Association - Atkinson Baptist, Shiloh Baptist, Moores Creek Baptist, and Olivet Baptist. His last pastorate was the Spradlin Memorial Baptist Church (formerly Fernside Baptist) where he served for 12 years. At the time of his death, February 23, 1983, he was serving as Pastor Emeritus of Olivet Baptist Church.

Reverend Woody, like many others who have served in this Association, left a part of his life with the congregations. Thus we dedicate the 1983 Annual Minutes of the Wilmington Baptist Association to him in honor of his having served so faithfully.

IN MEMORIAM

REVEREND JAMES EDISON LENNON

Reverend James Edison Lennon, pastor of Bethlehem Baptist Church located on Highway 210 just beyond Moore's Creek Battleground, died Sunday, September 25, 1983. His death climaxed twenty-six years of ministry as pastor of two eastern North Carolina Baptist Churches. Reverend Lennon literally served as pastor until his death as he had performed the ordinace of the Lords Supper during the 11:00 A.M. Service on the same Sunday that he died.

Reverend Lennon was ordained to the Gospel Ministry November 23, 1958, by the Livingston Baptist Church located at Delco, N.C. Before his call to the pastorate, he served many years as a church leader and adult Sunday School teacher. His twenty-six years in the pastorate were divided between a ten year ministry at Cape Fear Baptist Church and thirteen years at Bethlehem Baptist Church.

Surviving are his wife, Lydia McGowan Lennon, two sons, Robert Edison Lennon Sr. of Delco, and James Warren Lennon of Riegelwood, and one daughter, Mrs. Bobby (Elaine) Babson of Delco.

The Wilmington Baptist Association is thankful for the ministry of Reverend James Edison Lennon. We dedicate this book, the 1983 Annual Minutes, to him for his faithful service.

19. Message - Eugene Puckett

Mr. Puckett gave a history of Thomas Meredith and of the Biblical Recorder, noting its importance to Baptist life.

It was first called the North Carolina Baptist Interpreter, published monthly beginning January 1833, then called the Biblical Recorder and Journal of Passing Events, edited from Edenton in 1834, and from New Bern in 1835, and from Raleigh since 1838.

Meredith was likened to Luther Rice. Both shared a vision, had a deep commitment and purpose, enlarged mission opportunities, and strengthened the commitment of Baptists.

The Recorder has attempted to address itself to the needs of Baptists of this state. The starting needs of the Biblical Recorder are still the same:

(1) Missionary obligations of Baptists
(2) Remind Baptists of opportunities in mission work
(3) Address the obstacles the Missions Movement was encountering

We need to tell the world what Baptists are doing. Baptists have learned there are some things we can do together that we cannot do alone.

Another dimension and function of a state paper, which is most difficult is a catalyst to share diverse Baptist views and expressions. We do believe in soul liberty, the priesthood of the believer, church autonomy, and we let Baptists speak through the pages of the Biblical Recorder.

When Baptists know, Baptists will find a way to do.

"If there is a single verse that describes Meredith's motivation for founding the state paper, it's found in Hab. 2:2, 'Write the vision, and make it plain, that he may run who reads it.'"

15. Annual Sermon - Horace Hall

"This Church God is Building on a Rock"

If the world is to know Christ, it must be through the church with a messenger.

Ephesians 5:22-27

In everyone's mind, there is an image or picture of a church that has impressed us. It could be any church from our past. This church reminds us of the worshipfulness and presence of God, where we can go and be in the presence of God.

I remember a church I visited once as a boy in attending a funeral. It was in the woods. I have no idea where it is, but when I think of a serene, quiet, worshipful place, that church comes to mind - the mind of a lost little boy that went to church.

What do you think about when you think about church? If a church is to be what it ought to be, that church must be founded on the solid rock of Jesus Christ. If we are going to propogate the truth across to the world that they might know the Christ we proclaim, we must stop denying our own witness and we must present the foundation of the church as what it is, for the foundation of the church must be the Word of God. All we know of God is in His Word. When the written Word became the living Word, then the foundation of the church was laid, and we must work from the foundation. We must show this as the whole truth, live it, and believe it.

The church is membership. The church is people. God's church is His People. What kind of people make up this church that is built on this foundation of Jesus Christ, on this solid rock of faith we have in Him and His precious Word.

(Using blocks, Mr. Hall illustrated various members of the church)

(1) Mr. Christian = an imperfect man cleansed by the blood of Christ, present at all services, and shows his leadership, a living example for the world.

(2) Mr. Once a week = attends only on Sunday morning.

(3) Mr. Hole in his head = looks like Mr. Christian, always talking, but never does anything, cannot be counted on.

(4) Mr. Yellow Back Christian = has a yellow streak a mile wide down his back, never talked to or won a soul to Christ, never witnesses.
(5) Miss Envy = turns green if not given proper recognition and attention, serves when credit given, gets mad otherwise.
(6) Mr. Embarrassed = regular attender, but red faced to pray in public, or when asked to serve in any capacity.
(7) Mr. Foul Mouth = appears as a proper Christian on Sunday, but tells the dirtiest stories during the week.
(8) Mr. Sinner = attends church, in various activities, present most of the time, sits beside other members, but is lost, since no one has witnessed to him.
(9) Mr. Do-Nothing = attends, cannot get him involved, no time, too busy to serve.
(10) Mr. Church Bum = goes to church anywhere and any place, can't do much with him except tolerate him..
(11) At the head of the church is He who has been tried in the Refiner's fire, pure gold, Christ should crown his life.

God sees us in our church as we really are.

Following other remarks, an invitation was extended with many messengers kneeling or standing at the altar in a fresh commitment to Christ.

The annual sermon was closed with a prayer of dedication.

16. The Moderator made mention of the presence of the Associational Historical Album.
17. Bobby Stafford expressed appreciation for A. R. Potter's commitment to service in the Association.
18. The Moderator announced 136 persons present tonight.

AMERICAN BIBLE SOCIETY

Conversions are taking place daily all around the world and the American Bible Society is grateful for the support of the Southern Baptist Convention in helping to win these people to the Lord. Through the ministry of the ABS and the Bible Societies with which it is associated, men, women and children in record numbers and in over 150 nations and territories are receiving the Scriptures that often lead to such personal encounters with the living Christ. Bible Societies around the world distributed a total of 484,633,537 Bibles, Testaments, Portions and Selections in 1982. This represents a 9.1 percent increase over 1981's figures, and includes 10,883,159 Bibles, 12,177,593 Testaments, 32,575,846 Portions and 428,996,939 Scripture Selections.

Through the United Bible Societies the ABS is now involved in translation projects in 574 different languages around the world. In 375 of these, teams of translators -- most often all nationals -- are translating some part of the Bible for the very first time.

Good News For New Readers Scriptures, a graded approach to Scriptures for first readers, are now available in languages spoken in 70 different countries around the world. New Reader translations have been completed in 380 languages to date and are in progress in another 68 languages.

Help was given in Africa, Latin America, Asia Pacific, Europe and United States.

The Challenge

Scripture shortages are growing worldwide. Even though the Bible Societies are working harder than ever to provide enough Scriptures for the people of the world, millions may yet have to go without the comfort and guidance of God's Word in the coming year.

But the American Bible Society is beginning 1983 with a renewed determination to further increase its ministry both in the United States and throughout the world. And we earnestly request the continued and expanded financial support of the Southern Baptist Convention which in 1982 provided $324,612 for this global mission, or not quite three cents per member. Scriptures must be made available to the millions of people who are eagerly seeking His Word. We pray that our joint ministries will grow in strength and that our witness together will provide others with the comfort, guidance and faith promised by our Lord: "Come to me, all of you who are tired from carrying heavy loads, and I will give you rest." (Mt.11.28)

ANNUITY BOARD

"Nineteen Hundred eight-two has proven to be an epochal year for all of us at the Annuity Board. Even in the midst of varying interest rates, unemployment, recession and denominational unrest, the Annuity Board has continued to develop, market and service the retirement and insurance plans for the associations, churches and agencies of the Southern Baptist Convention," said Annuity Board President Darold H. Morgan

Key statistical highlights in 1982 included:

1. A 10 percent 13th Check was mailed to annuitants who retired before 1980. Those annuitants who retired in 1980-82 received their 13th Check bonus in their monthly checks.

2. A total of $30,663,412 was paid in retirement benefits.

3. Total assets administered by the board as of Dec.31, 1982 $1,057,947,515 compared to $896,535,999 on Dec. 31, 1981.

4. Relief funds from the Cooperative Program totalled $455,009.

5. Membership records indicated that 18,111 persons were enrolled in Plan A, 65,855 in Plan B and 4,256 in Plan C.

6. Earnings on retirement and related funds for 1982 totaled $108,923,263. This compares to $46,068,904 for 1981 or an increase of $62,854,359.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

COASTAL AREA FAMILY SERVICES CENTER

The Coastal Area Family Services Center continues to grow in the number of families served. Through personal contacts, more people are coming to Baptist Children's Homes in an effort to find better ways to cope with family problems. More agencies are requesting help in working with families, as well as children without families, in an effort to help them prepare for a better tomorrow.

The Coastal Area Family Services Center was established in May, 1981, and provides all services of our statewide Institution to six counties: New Hanover, Pender, Onslow, Carteret, Pamlico, and Brunswick. The Area's home office is located in Jacksonville in the New River Baptist Association, with a satellite office located in Wilmington in the Wilmington Baptist Association. Our staff consists of Mr. Burnie Collins as Director, a social worker, Ms. Rebecca Estep, and a secretary, Mrs. Sandy Kennedy.

Emergency Care is offered in Brunswick County at the Jennifer Brown Emergency Care Facility under the direction of Mr. and Mrs. Bobby Goodman, Child Care Workers.

In an effort to help churches and church families be better able to reach the potential of relationships that God intends, programs such as Parenting, Parent-Teen Relationships, and Family Enrichment can be offered on a local basis.

The Coastal Area is, as are the other areas of Baptist Children's Homes, dedicated toward helping families be able to live in more meaningful relationships. The family is the basic unit of our society today. Through the efforts of many people and many organizations cooperating, families and children can have the relationships that God intended. Baptist Children's Homes is committed to the task of helping to bring this about.

On July 1, 1983, the Baptist Children's Homes welcomed its new President, Dr. Michael C. Blackwell, a native of Gastonia. Dr. Blackwell becomes the eighth President of the Baptist Children's Homes of North Carolina and follows in a nobel tradition of excellence established by the seven men who preceded him in this position. In making the announcement of Dr. Blackwell's selection, Dr. William Brown, Chairman of the Board of Trustees, said that "we firmly believe that Dr. Blackwell will continue to lead this vital ministry in an exemplary manner. His unique talents, personality and commitments will assure that this ministry remains at the vanguard of excellence in child care in meeting the challenge of resolving the hurts of children and families in need."

Dr. Blackwell served churches in both North Carolina and Virginia before assuming the Presidency of the Baptist Children's Homes.

BIBLICAL RECORDER

The Biblical Recorder is celebrating 150 years of service to North Carolina Baptists. Founded by Thomas Meredith while he was pastor of the Edenton Baptist Church.

The past twelve months have been a time of transition for the Recorder. R.G. Puckett became editor upon the retirement of Marse Grant in September, 1982. Lawrence E. High came as managing editor of the Recorder from the editorship of The Maryland Baptist. Puckett is the only man in Southern Baptist life to have served four different state Baptist papers. High and Puckett are the only team of editors who have both served as editors of other state papers before coming to North Carolina.

The cost of second-class postage threatened the very survival of the state Baptist papers in 1982, including the Recorder. However, with the faithful support of subscribers, assistance from the state convention and tight management of finances, the paper is now stable and as secure as possible under present economic conditions. Future costs for second-class postage are unknown and greatly feared. Your prayerful concern at this point is earnestly requested.

The format of the paper was changed to tabloid from the magazine style which had served for approximately 40 of the 150 years of the Recorder. Economy of production and increased space by approximately 50 percent were the deciding factors. Those readers who preferred the magazine style have generally accepted the tabloid because of the money saved and the added amount of news coverage of North Carolina and Southern Baptists.

In March, the directors of the Recorder approved a plan to make circulation the highest priority in 1983. Churches are urged to put the paper in the budget so that every resident family receives a copy. Club plans are available for interested persons and key leadership in the church.

The editors and staff of the Recorder are grateful for the opportunity to have this ministry among North Carolina Baptists. We invite your news items, letters to the editor and items of general interest to all North Carolina Baptists. Most of all, the staff requests your prayer support and faithful reading of the Biblical Recorder, one of the largest and most influential Baptist papers in the history of Baptists in the United States.

COUNCIL ON CHRISTIAN LIFE AND PUBLIC AFFAIRS

This has been an extremely busy year for the Council on Christian Life and Public Affairs. Through its three departments, it has provided a variety of field service events and educational resources for North Carolina Baptists. Associational Christian Life committee members were trained and guidance on a wide range of social and ethical issues was furnished to churches and associations. June was promoted as World Hunger Month and our churches increased their giving significantly over that of 1982. The Council made available bulletin inserts, posters, world hunger calendars, and hunger bank labels in addition to free offering envelopes.

DEPARTMENT OF CHRISTIAN CITIZENSHIP EDUCATION

The Legislative Information Network has continued to provide reports on the work of the state's General Assembly to 800 contact persons in churches across North Carolina. Members of the L.I.N. have been especially involved with two major issues: drunk driving and the state lottery. Baptists were instrumental in securing passage of the Safe Roads Act, a tough and comprehensive package of legislation aimed at curbing drunk driving in North Carolina. Not only did Baptists call and write their legislators, but members of the L.I.N. attended committee and sub-committee meetings at the General Assembly and communicated directly with senators and representatives at crucial points during the bill's consideration. The new law, which goes into effect in October, promises to aid in the crackdown on drunken drivers. As is always the case, however, the final version of the law was not as strong as many had wished. The L.I.N. will monitor the implementation of the Safe Roads Act to see if further changes need to be made in the law. Baptists also played an important part in defeating a proposed state lottery. Based primarily on an anticipated revenue shortage, the state lottery was suggested as a way for the state to make money off its people's urge to gamble. The bill was defeated in the state Senate, but the state lottery is an idea certain to surface in future years, especially when financial times are tough. Other legislation covered by the L.I.N. included a package of bills to provide alternatives to prison as a form of punishment, a resolution supporting a freeze in nuclear weapons, proposals to protect the state's residents from hazardous wastes, and a bill to make it a crime to hold someone in slavery in North Carolina.

DEPARTMENT OF CHRISTIAN FAMILY LIFE

A wide variety of family events was sponsored this year. Included were eight marriage enrichment retreats, including one leadership training event; one clergy couples' marriage enrichment retreat and for the first time a pre-marital retreat; nine family enrichment conferences; six singles seminars and a single adult leadership conference; three parenting workshops and a Strengthening Christian Families leadership workshop. Co-sponsored by the department were a chaplain's wives retreat; "Senior Adult" marriage enrichment and singles retreats in addition to sharing leadership in a holy land trip for senior adults. Program leadership was furnished in two Better Homes Clubs. For the first time, a domestic violence seminar was offered at the state level. Also, a Divorce Adjustment Workshop was held. Consultations by the director, assisting churches, associations and pastor's

conferences in their crucial task of strengthening family life were offered. Two conferences for pastor's wives were underwritten. Family life revivals were led in two churches.

A new pamphlet, "Senior Adults and Families", was added to the Growing Christian Families series.

DEPARTMENT OF AGING

The department continued to expand its ministry to senior adults through new events and services. Five leadership workshops were conducted across the state, in addition to four major conferences/retreats held at Caraway Conference Center. Additionally, two new retreats - one for singles and the other for retired couples, were added. A senior adult tour of Egypt and the Holy Land was conducted and a statewide senior adult rally attracted a large and enthusiastic audience. Coordination between senior adult leaders and opportunities for training was provided through Contact, a newsletter/training resource furnished by the department to all senior adult clubs in the state convention.

CHURCH TRAINING REPORT

Church Training is the organization assigned the task of helping church members, new church members and church leaders (also potential leaders) grow in their Christian Discipleship. The Church Training program does not compete with other church programs, but when properly administered, enhances the total work of the church.

The Church Training Program has responsibility in five content areas. These are: Christian Doctrine, Christian Ethics, Christian History, Church Polity and organization, and skill development (in performing the function of a New Testament Church).

During the Associational year the members of your Associational Church Training Council

1. Planned, promoted and led "M" night. We met at Long Leaf Baptist Church on November 22. The program consisted of hymns, prayer, an introduction of Associational Church Training Leaders and demonstrations by our Youth Director, Katherine Godwin, and some youth from Calvary Baptist Church, and Rita Durbin from Silver Lake Baptist Church, who was winner of the Regional Youth Speakers Tournament, (1981-82) gave her speech. CHRISTIAN SOCIAL MINISTRIES COMMITTEE

For the Christian Social Ministries Committee, the year 1982-83 was one of balanced action. Much time was spent in thorough investigation and study of proposed and undertaken Christian ministries. There were times of celebration as plans and dreams became reality.

Three important ministries have been implemented this year. First, in November a Family Ministries Conference was held at Murray Memorial Baptist Church with six conferences held. Topics dealt with were: Families and Leisure, Family Constellations, One Parent Families, Persons with Special Needs, Stress Factors in Families with Children, and Ministering to the Terminally Ill and Their Families. The conference leaders were outstanding and attendance was good.

Second, we are working toward helping the Pender County Prison unit establish a chaplaincy program in the near future. A volunteer now serves in this capacity. Either a full or part-time chaplain is being sought for this position, possibly a qualified bi-vocational pastor.

Third, the CSM Committee recently compiled a Crisis and Referral Directory for Wilmington Baptist Association ministers and staff. This directory has ten sections with timely helps for our pastors and other staff members.

It has been an exciting and rewarding year, and yet there remain many ministries in which we should be engaged. We are grateful for the able and faithful leadership that Marsha Cook has given our association and the loving and generous response that the Wilmington Baptist Association has made to Christian Social Ministries. Our prayer is that God would enable us to enlarge our tent by the strengthening of our stakes and the lengthening of our cords. (Isaiah 54:2).

EVANGELISM

The State Evangelism Conference was held February 7-8, 1983, in Owen's Auditorium, Charlotte, North Carolina. The theme "Reaching People" was used to emphasize the following: Sin: The Tragedy of Humanity, Love: The Nature of God, Salvation: Our Only Hope, Witnessing: By All Means to Save Some, and Evangelism: The Church's Task.

A meeting sponsored jointly by the Evangelism Division of the Baptist State Convention of North Carolina and the Radio and Television Commission was held for Ministers in Broadcasting in conjunction with the State Evangelism Conferences.

The Key Leadership Conference evangelism chairpersons were taught Revival Training Seminar materials which will be the major emphasis for 1984. The material and programs available from theEvangelism Division were discussed and made available to the evangelism chairperson.

Many pastors' conferences and associational meetings took advantage of the offer from the Evangelism Division to supply speakers and materials for their meetings. Some WMU conferences invited the personnel of the Evangelism Division to participate.

The Greater Cape Fear Crusade for Christ was held April 17-24, 1983, at Trask Coliseum. The Crusade was sponsored by the Wilmington Baptist Association and featured Evangelist Bill Penley of Fletcher, North Carolina, and Music Evangelist Lowell Leistner of New Symrna Beach, Florida. The Baltzigler Family of Shelby, North Carolina, were also special musical guests.

The 1984 Statewide Evangelism Conference will be held February 6-7, 1984, at War Memorial Auditorium, Greensboro, North Carolina.

Evangelism Chairman

CHRISTIAN ACTION LEAGUE

We are grateful to our Lord for what your association has meant to the cause of social and civic righteousness in our state in the past 12 months. You have assisted the efforts of the League with appropriate action along with your prayers and financial support.

We wish to list just a few of the strategic issues where your voice was so influential.

I. SAFE ROADS ACT OF 1983

Due to the growing problem of the needless slaughter of innocent men, women, and children upon our highways due to drinking drivers, the League called upon Governor James B. Hunt, Jr., to name a Task Force to study this problem and seek constructive recommendations to be presented to the 1983 General Assembly. He complied with this request, and the recommendations of the Task Force were compiled into the Safe Roads Act of 1983. Even though the powerful beer-liquor-restaurant lobby along with other alcoholic retail groups were able to "water-down" some key provisions in this legislative packet, we at least have a measure that can be strengthened in the future to deal with the irresponsible drinking driver.

II. STATE LOTTERY

With the General Assembly seeking additional tax funds, it became apparent that an easy route for the politicians to take would be to put the state into the gambling business via a state-wide lottery.

The League organized the opposition to this issue. When the pro-lottery forces paraded representatives of the lotter industry extolling the "virtues" of such for North Carolina at a legislative public hearing, it was the Christian Action League that presented the adverse effects that a lottery would have upon our state.

It was through your letters, resolutions, and other contacts to your legislators that generated the opposition to the lottery and resulted in its defeat.

However, this is not a dead issue. Pro-lottery forces are seeking state tax-funds for a Legislative Lottery Feasibility Study to prepare legislation for the 1984 mini-session of the General Assembly. May we not "grow weary in well-doing" or we will get stuck with a lottery as we did with liquor-by-the-drink.

III. REFERENDUMS

In the past 12 months, you made it possible for the League to assist 7 committees successfully in defeating various referendums. These were:

1. Archdale: Liquor-By-The-Drink, ABC Liquor Stores; and Off-Premise Beer and Wine sales.
2. Newton: Liquor-By-The-Dring.
3. West Jefferson: ABC Liquor Stores
4. Banner Elk: Liquor-By-The-Drink
5. Lenoir County: Liquor-By-The-Drink

6. Kings Mountain: ABC Liquor Stores and Off-Premise Sales of Beer and Wine
7. Elizabethtown: Liquor-By-The-Drink.

Other referendums are pending.

CONCLUSION

Thank you again for making it possible for us to remain on the "firing line". May your churches continue to provide the prayer and financial support so that we might be an effective instrument for the cause of social and civic righteousness.

CHRISTIAN HIGHER EDUCATION

NEW COLLEGE PRESIDENTS

Wingate College and Wake Forest University have elected new presidents. Dr. Paul R. Corts took office on July 1, 1983. Dr. Thomas K. Hearn, Jr., assumes the presidency of Wake Forest on October 1, 1983.

Dr. Corts has been a college teacher and administrator in Kentucky and Oklahoma. A graduate of Georgetown College and Indiana University, he is an experienced leader and author in the fields of communications and fund raising.

Dr. Hearn, an ordained Baptist minister, is a graduate of Birmingham Southern College, Southern Baptist Theological Seminary and Vanderbilt University. He has served one pastorate in Indiana. He is an experienced college teacher and administrator in Virginia and Alabama.

Congratulations to Wingate and Wake Forest! These qualified leaders join Presidents Fred B. Bentley, John E. Weems, Norman A. Wiggins, Bruce E. Whitaker and Craven E. Williams as leaders in Christian higher education for North Carolina Baptists.

SEEKING THE BAPTIST STUDENT

All of the seven North Carolina Baptist colleges want to serve more of the students from the churches. Pastors and lay leaders can help by recommending Baptist colleges to Baptist young people.

Information about the colleges may be obtained by writing or calling the Council on Christian Higher Education or the Offices of Admissions of the individual schools.

CALLING THE ROLL IN GRATITUDE

North Carolina has been a leader among Baptists in Christian higher education for 149 years. Moral and financial support from the churches has made possible the ministry of our colleges. The Cooperative Program continues to provide health for the colleges and opportunity for young people.

Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate are grateful to North Carolina Baptists. Please continue to favor us with your young people, your gifts and your prayers.

CHURCH MEDIA/ LIBRARY ORGANIZATION

The Wilmington Association still has one more meeting to go for the Church Media/ Library Organization before a complete record of the year can be given. This meeting will be at First Baptist Church of Wilmington, at number 15 North Fifth Street, on Monday evening, October 24, at 8:00 o'clock in the church library. This library is very old, but was closed for recent changes and renovations. The church has long passed its hundred years, but is now going strong. Mrs. Linda Hollis, our teacher, will be beginning a new book, A Church Media Library at Work compiled by Mancil Ezell, out of Knoxville, Tennessee.

We have had three TACMO lessons, and two Key-Leadership Conferences. The total attendance for all these meetings was 46, with 12 churches being represented. Churches which have attended are:

1. Calvary	4. Lake Forest	7. Sea Gate	10. Temple
2. Carolina Beach	5. Masonboro	8. Shiloh	11. Winter Park
3. Hampstead	6. Riley's Creek	9. Sunset Park	12. Wrightsboro

Mrs. Thelma Sutton from Temple Baptist brought a very inspiring lesson on Choice Creative Tracts and How to Use Them at our day meeting at Shiloh on April 25th, while Mrs. Linda Hollis of Masonboro Baptist Church brought the two night meeting lessons, Making Non-Projected Visual Aids at Calvary on January 31st, and Promotional Activities at Sea Gate Baptist Church on July 25. Each lesson was quite informational and useful. Each in attendance had something to take home to his own library.

Books have been shared, or exchanged, between churches at each of these classes. We urge that they be accepted, as they generally are duplicates from the sharing church, and can be quite useful to a new, or less fortunate church.

Each library visited has been well organized, in a desirable central location, and very attractive. Each meeting has opened with a very inspiring devotional and prayer led by a visiting church. All meetings have closed with refreshments and fellowship.

Two new libraries have opened during the year. One at Murray Memorial has received but very little assistance in the form of telephone questions and answers. Both are circulating books. The other, Surf City Baptist, opened with a Library Appreciation Program in April. Book lists, book marks, and policy sheets were given out. The community greatly welcomes this library as it opened soon after the Public Library Book Mobile stopped serving the beach. Heavy donations of books from the community soon brought their collection above 400. They still need more children's books and some improvement in facilities, eventhough they are moving in giant steps. They are quite appreciative of their associational assistance rendered by two of the TACM officers.

Both Carolina Beach Baptist and Wrightsville Beach Baptist are in need of typing assistance which I hope will be forth coming in the very near future.

The two Key Leadership conferences which were taught by Mildred Taylor at Riley's Creek Baptist Church on August 1, and at Wrightsboro Baptist on August 2, opened with the devotional of the day from Charles E. Cowman's Springs in the Valley, prayer, "get acquainted" games, individual and group participating assignments, and a lesson on the Functions of the Church Media Center in 1983-84. As always, the Media Center and its staff are and should be servants of the whole church. At no time should we take a backward step, but must move forward with the same growth as other parts of the church program. We must realize where we are, where we wish to go, and pray for wisdom to do our part in the Bold Mission Thrust to reach and tell every person in the whole world about Christ before the year 2000.

We often feel discouraged because our space may be taken for other programs. These same people who need our space may be just whom we need to help us find a new space and ways for a fuller program. We may need their unexplored talents, and they may even have closets crowded with books that could be a big help to the church media center.

The book, How to Operate a Tape Ministry by John Hack, notes from the Ridgecrest Conference, and two sound film strips on Equiping Centers, and The Function of the Church Library Ministry were the sources used.

We are urged to use a good common sense of management, as everything costs more and our budget may be slimmer. One 9' x 9' screen can serve a whole church at once better than many mini screens. A duplicating machine that will also produce transparencies is more useful than one that only duplicates paper copies and many companies will not tell you about the differences unless you ask them.

Greater care of equipment should be taken since prices are higher and funds lower. Every library worker should be taught how to work every piece of equipment and should be taught proper handling care. It was also suggested that they attend the pastor's conferences and teach the use of a different piece of equipment each time and how to care for it.

Each Key Leadership attendee was given an object to add to her collection of Media display objects and told to be ever conscious of ways to exemplify and advertise her own wares.

Although the Key Leadership Conferences did not bring in the numbers that were expected, two churches were represented for the first time of the year.

Mrs. Margaret Clemmons of Route 1, Box 7, Bolivia, North Carolina, has invited our association of Media Centers to meet with the Brunswick Association at Southport Baptist Church on November 14, 6:30 to 9:30 p.m. Mr. Mancil Ezell out of Nashville, Tenn., will be guest speaker on the topic of graphics and promotions.

Monday, October 22, 1984 - 8:00 p.m. at Temple Baptist Church, 1501 Market Street. The lesson will be a visit to the Holy Lands presented by Holy Land visitors from Temple and Seagate Baptist Churches. At least two Sunday School teachers from each church may attend. Mrs. Elizabeth Rogers from Seagate will bring the devotional.

James Edison Lennon, who for the past fifteen years had been the pastor of the Bethlehem Baptist Church, of the Wilmington Baptist Association;

6. That, as usual, the names of our beloved dead be memorialized on a special page of our Minutes, and that we now further remember them in a memorial prayer.

DIRECTOR OF MISSIONS

The Wilmington Baptist Association grows in awareness of mission opportunities dauly. The Korean Mission at Ogden Baptist Church which was begun last year flourished this year under the leadership of Reverend Sei Hun Kim. Four persons were baptized and two persons joined the mission by letter. The bi-weekly ministry of Rev. Kim usually averages about 14 persons per Sunday. On the off weeks, the average is five. As persons drive up highway 17 through Ogden, the sign written in Korean, KOREAN BIBLE FELLOWSHIP, is a constant reminder that Koreans have a special place to worship in this area.

The Hispanic Fellowship which begun last year has now grown to a Hispanic Mission at Lake Forest Baptist Church and Long Creek Baptist Church. Bob, a seminary student at Southeastern Baptist Theological Seminary, and his wife, Patsy, were brought to this area to help us begin the Hispanic Work. At the close of the summer, Augustin Lara, a Baptist Layman who speaks and reads Spanish and English, Peggy Lara, Augustin's wife and supporter of Hispanic Work, were leading a Bible Study during the Sunday School hour and a Study during the Church Training hour at Lake Forest Baptist Church plus a Bible Study at Long Creek Baptist Church. Sally Lennon teaches English Classes to the Hispanic at Long Creek every Sunday as a part of the program.

Saint Paul's Missionary Church was first brought to our attention through a photograph and an article in the Star News. The Baptist Men's Group of Ogden Baptist Church decided the group needed help, so they began to communicate. The final outcome is a new building about 2/3 completed. By Spring 1984 the building will be completed at a value of $75,000. Total cost will be approximately $15,000 due to the Baptist Men at Ogden and other Baptist Men throughout the association. Mr. A.H. Harrell is the volunteer building contractor who is watching over the project.

Two other international opportunities were seized this year when Bob Hern, Consultant for Internationals with the Baptist State Convention, spoke to a small group of Aramaic speaking persons. An Internationals Banquet was held at Masonboro Baptist Church. The Internationals Banquet boasted of representatives from 21 countries. About 220 persons attended and five of the International groups performed songs, dances and games from their home countries.

Several of our churches sent groups to West Virginia this year. Work is still being completed on church buildings. One church sent a group to Howard Baptist Association to help begin a new mission. Many other youth groups went to other states to do mission work. West Virginia and Howard Baptist Work is strongly urged by this association and the Baptist State Convention.

Resort Missions expanded this year with clown ministry. Carolina Beach Baptist added clowns to the Jubilee Park Puppet Ministry. Kure Beach began a new "LIVE" beach ministry of music, drama and clowning near the Seven Seas Motel. Surf City incorporated Clown into their ministry. Harley and Juanita Crosby lived in the associational owned camping trailer at Rogers Bay KOA where Harley was chaplain and Juanita conducted classes in Shell Crafts. Many churches in the association helped in ministry at the four beach locations and the campgrounds. Ten groups from other states came here to help us in resort ministry.

Wilmington, New Hanover County, and portions of Pender County, are in growth patterns. The old wooden World War II housing on Greenfield Street (Green Lake Estates) is being renovated to provide modern housing. The Beach areas of Kure, Carolina and Wrightsville Beach are growing by astronomical figures through the construction of multiple family permanent and seasonal housing. The sound areas are growing by the introduction of restricted sub-divisions. Going up highway 17 through Scotts Hill, Hampstead, and on towards Surf City, large portions of land are being developed into housing surrounding golf clubs. In order to keep up with the population increases, we must establish Mission Sunday Schools, Mission Churches, or Churches to take care of the influx of persons.

The Greater Cape Fear Crusade for Christ, April 17-24, was the Evangelistic thrust for the year. Lowell Leistner and Bill Penley led the crusade. We pulled off a mammoth project of about $19,000. We were able to give our Crusade leaders $7,600 in love offering and we came out with very little drain on the budget. The financial means was not the greatest part of the success. We watched as 132 persons came to the front for counseling. 63 came from Area 5 which was New Hanover County North of Oleander Drive. 4 came from Area 4 which was Pleasure Island and Battle Park community. 49 came from Area 3 which was New Hanover County South of Oleander Drive. 1 came from Area 2 which was Hampstead, Scotts Hill, and Surf City. 16 came from the Burgaw, Atkinson area which was Area 1. Persons being saved were as follows:

Area 1	2 persons
Area 2	1 person
Area 3	20 persons
Area 4	1 person
Area 5	32 persons
Total	56 persons

Sunday School, Church Training, Brotherhood, Woman's Missionary Union, and Music Educational conferences were conducted as usual. A special conference for Deacons was conducted by Rev. Howard Silver. Dr. Frank Crumpler of the Home Mission Board conducted a conference on HOW TO GROW AN EVANGELISTIC CHURCH was especially for pastors and staff. Lucy Hoskins, Church Administration Department Consultant for the Baptist Sunday School Board conducted workshops on Church Communication through Newsletters and and Sunday Bulletins and a special all day conference especially for part time and full time professional secretaries.

The study committee for the possibility of establishing a Mission on Furlough House in the association is still at work gathering information.

A special committee was formed this year to gather information on ACTS (American Christian Television Service). This new television network was established by the Radio and Television Commission of the S.B.C. to bring alternative television viewing into the homes of our nation. The committee has recommended that ACTS be brought here to every home possible. The ACTS Committee (a representative of every church that wishes to be affiliated with ACTS composes the committee). We have five cable companies within our geographical area. We are planning to be on every channel as soon as possible.

Several years ago, the association bought a lot on Wellington Avenue to build an Emergency Care Children's Home. A study committee reported to the association last year that the home would not be a ministry the association could enter into at the present time. The lot was sold this year. At the General Board meeting in July, the Telecommunications Committee asked for the money from the sale of the lot be used to help finance ACTS. This was approved which meant that a past General Board action was rescinded. The money from the sale of the lot is being held until it is needed.

The Director of Missions attended two educational conferences this year. One was the Directors of Missions Conference at Southeastern Baptist Theological Seminary. The other was THE GOD CALLED MINISTERS SEMINAR at Caraway. Both were directly related to the work. I also attended the Directors of Missions Conference at Pittsburg which was a part of the Southern Baptist Convention. I attended the Baptist State Convention Annual Meeting. Several other one-day conferences were attended. It was my pleasure to work with Dr. Cecil Ray on the state telecommunications committee which formulated the means of bringing ACTS and Baptist Tel-Net to North Carolina.

The Wilmington Baptist Association is so kind to me. Everywhere I go, I am received with friendliness. Thank you for making this association a growing ministering body. Through the years, you have made great strides. Both professional and lay leadership has been superb. We have much more to do as we strive to reach our potential. It will take everyone of us to accomplish the task. Continue to join with me as we do our part of continuing to relive Acts 1:8 which has been handed to us by our Lord and Savior Jesus Christ.

Respectfully submitted,

Bobby Stafford
Director of Missions

HOMES FOR THE AGING

Through North Carolina Baptists, God continues to bless our North Carolina Baptist Homes with meaningful blessings, and we are grateful!

One of the most significant blessings that we have received during the year has been a 31% increse in the percentage used for distribution of funds through the Cooperative Program. This percentage change, along with strong Cooperative Program support during the first five months of 1983, has meant an increase of $29,079.73 over the same period in 1982. Total Cooperative Program funds for the period totalled $135,647.39.

For the first five months of 1983, undesignated support through the North Carolina Missions Offering provided $74,087.47 toward the Homes' benevolent care needs. Designated gifts of $42,274.58 brought the total NCMO support to $116,362.05.

Through these mission gifts of $252,009.44, we were able to provide care for over 50% of the residents in the five Homes and Nursing Care who have limited resources. Even with this mission support, benevolent care exceeded the resources by $132,975.00 for the five month period. This gap must be bridged, and we must continue to receive more through the Cooperative Program and the North Carolina Missions Offering if we are to meet the needs of residents in the Homes. This still leaves the many who are waiting to enter the Homes, but do not have sufficient funds to pay the cost of care.

The Baptist Homes have been and continue to be a benevolent care ministry throughout the 32 years of caring. Because of the over-extended benevolent care ministry, the Trustees have had to put a hold on admissions of persons who cannot demonstrate the resources to pay the cost of care for their life expectancy. Let's change this picture as rapidly as possible. The only way that it can be changed is through a concerted effort of increased giving through the Cooperative Program and the North Carolina Missions Offering.

Another step forward during May of this year was the approval by the Homes' Trustees of a Capital Funds Campaign of $2,500,000 for the meeting of needs on the Hayes Home Campus, Winston-Salem. This challenge will meet some of the very vital needs of updating the Nursing Care Unit. Included in this updating will be a physical therapy room, patient dining room/activity area, and other vital needs related to food service. A second area of need includes the building of additional beds in the Nursing Care Unit. This expansion will require additional money beyond the current Capital Funds Campaign. The upcoming campaign will be the first major capital funds effort that the Baptist Homes have undertaken. We covet your prayers for a successful effort.

The needs of older persons in our nation and state become more and more acute with each passing day. It is imperative that we focus more on the needs and that we provide as wisely as we can for them in the family of our North Carolina Baptist Homes, now and for the future.

We believe that the future of the Homes' ministry is in God's hands. We shall continue to trust Him for our needs, and urge you to join Him and us as we strive to meet the needs of this vital ministry to older persons.

Mrs. Colin Churchill, Representative

MISSIONS AND CHURCH EXTENSION

The Associational year of 1982-83 has been an active one for the Missions-Church Extension Committee. Grateful appreciation is expressed to those who make up this committee and for their giving of time to work for the Association.

Following the vote of last year's annual meeting, a Korean Bible Study group was organized at Ogden Baptist Church. Thus far, six of the Koreans have united with Ogden.

Also, a Spanish speaking ministry was begun in cooperation with Lake Forest Baptist Church. After an intensive summer under the leadership of Bob Stainback the ministry has grown to branch out into a permanent migrant ministry at Long Creek Baptist Church under the leadership of Agusta and Peggy Lara. In addition, a fellowship ministry for the Spanish speaking people of New Hanover County is being planned for the next few months under the leadership of Bob Stainback.

This year for the first time the Missions Committee found themselves faced with the need to assist an already established church of the Association. After several meetings, and much prayerful deliberation, it was decided to challenge the church on a matching fund basis. It is a great delight to report that the church is now progressing at a better than expected rate.

The other item that the Missions and Church Extension Committee has been involved in is a cooperative relationship with the St. Paul's Missionary Baptist Church. St. Paul's is a black church that had decided to close because of a very small attendance and a dilapidated building. Since that time, a new building has been two-thirds completed, the group has been revitalized, and Bible Study on Wednesday nights and Sunday School has been begun. St. Paul's at present is considering applying for membership in the Wilmington Baptist Association and the North Carolina Baptist State Convention.

Your prayers for God's leadership are coveted for the year of 1983-84.

MUSIC

Four events highlight the 1982-83 year for our Music Committee. Twenty Senior Adults from six of our churches began rehearsals on February 3 for the musical "Kingdom Within". Rehearsals continued on Thursday mornings at Sunset Park Baptist Church with C.L. King directing and Barbara King serving as rehearsal accompanist. The "Kingdom Within" was presented three times: May 1 at Sunset Park Baptist Church; May 5 for the Associational Senior Adult Rally at Wrightsboro Baptist Church and May 27 for the patients at Hillhaven Convalescent Center, with C.L. King directing, Geneva King accompanying and Katherine Godwin narrating.

Adults from churches all across our Association joined together to make up the choir for the Cape Fear Area Crusade for Christ at Trask Coliseum in April. Lowell Leistner, assisted by C.L. King and Reggie Rushing, led an average of 200 singers and several instrumentalists in special music each night.

On Monday night, October 10, at 7:30 p.m., the Third Annual Adult Choir Festival was hosted by Freedom Baptist Church. As always, each choir blessed us through the singing of their individual anthems. In keeping with the 1982-83 Southern Baptist Convention theme of Reaching Ihstrumentalist through music, instrumentalists from several of our churches participated in this year's Festival. A real highlight was the mass choir and instrumentalists performance of Bob Walters' arrangement of "Holy, Holy, Holy" and Camp Kirkand's "O For a Thousand Tongues to Sing".

To promote the theme for the coming year, "Reaching Youth Through Music", an Associational Youth Choir Festival Workshop was held October 15 at Calvary Baptist Church. Gary Shive, high school music director, church music director and clinician from Concord, North Carolina, led our youth in this Festival. A full day of rehearsals and fellowship came to a close with a concert on Saturday evening at 7.30.

NORTH CAROLINA BAPTIST FOUNDATION, INC.

Have you ever received a "Mrs. Pig letter"? We want our 1983 report to be such a thank you note to North Carolina Baptists.

When our children were tots they, like other children, had their favorite story book that never was read enough to suit them. Even today as adults, they agree that Postman of Bayberry Lane was their favorite book. The gist of the story centered around Mrs. Pig who everyday met the postman at her mail box but to no avail. The postman felt "sorry" for Mrs. Pig because her box was always empty so he suggested she have a party and invite all other ladies in the community, such as Mrs. Cow, Mrs. Horse, Mrs. Sheep, etc. The party was planned, the ladies came, and for days afterwards thank you notes were delivered by Mr. Postman to Mrs. Pig. So, at our house, when thank you notes are written or received, we chuckle and remember with nostalgia that these are "Mrs. Pig letters".

We of the Foundation are indeed thankful for what Baptists of North Carolina are doing to guarantee support for the multitude of Christian missions and ministries carried on by Baptists. To serve in the Trustee role as managers of trust funds established by gifts from individuals, both living and through Will, is an exciting experience.

During the past year increased interest has been shown by individuals attending estate planning seminars sponsored by the Foundation and through personal visits by Foundation staff. Greater numbers are committing a tithe of what they leave at death, when they no longer need it, to Christian causes.

The asset value of trusts held at the end of the last fiscal year totalled $8,214,696 Designated new additions to trusts were $276,815.00 Income from investments of trusts assets totalled $523,140.00. Investment asset market value gain during the year was #398,812.00.

We are thankful for the facilities in the new Baptist Building making it possible to have the staff in one suite of offices. It has been pleasant to welcome many adult church groups who have visited the new building.

We welcome other visits or opportunities to discuss with individuals effective estate planning alternatives involving Wills and trusts which could provide sustained support for Baptist cause(s) even beyond lifetime.

NORTH CAROLINA BAPTIST HOSPITAL

Baptist Hospital has celebrated its sixtieth anniversay during 1983 by continuing to expand and improve it services.

During the year the hospital has installed a nuclear magnetic resonance machine in the Department of Diagnostic Radiology. With the use of radio waves, this machine produces pictures as good as or better than standard x-rays and can also provide valuable information based on the body's chemistry without posing any radiation hazard.

Baptist Hospital is also providing a new treatment aimed at finding and removing the cause of heart attacks. The procedure attempts to dissolve clots in the coronary arteries feeding blood to the heart muscle by injecting a clot dissolving drug through a catheter.

During the past year a survey team from the North Carolina Department of Human Resources designated the hospital's Emergency Department as a Level I trauma center which indicates that the department offers all major services for serious injuries twenty-four hours a day seven days a week.

Because of these and other services provided by the hospital, a total of 23,903 patients were admitted to its approximately 700 beds during the year for a total of 213,021 days of patient care. An additional 66,039 persons visited the hospital's emergency room and outpatient clinics.

The Department of Pastoral Care provided more than 14,000 hours of pastoral service to hospital patients, their families, and the Medical Center staff besides leading at least four worship services each week in the Davis Memorial Chapel. The Pastoral Counseling division provided 14,493 hours of counseling to persons who had individual or family problems or concerns. The Clinical Pastoral Education division provided training at some level for more than 100 students. During the past year, Dr. Mahan Silver, who has been with the department for ten years, resigned as its director in order to return to the pastorate.

In order to provide adequate care of its patients, Baptist Hospital employs approximately 3,500 people and has buildings and equipment valued at more than $100,000,000. The operating budget for 1983 was $101,000,000.

During the past year the hospital trustees have reviewed plans for another major capital expansion program to begin when construction funds are available.

Careful management with continuing emphasis on cost-containment projects had made it possible for the hospital to operate in the black with only a 4 per-cent room rate increase during the past year.

During the 1982 fiscal year the hospital received from the churches of the Baptist State Convention a total of $497,019 through the Cooperative Program and $343,665 through the North Carolina Missions Offering. Cooperative Program funds helped to underwrite the budget of the Pastoral Care Department and the gifts received through North Carolina Missions Offering assist financially needy patients in paying their hospital bills.

The hospital administration and staff are deeply grateful to the Baptist State Convention and all its constituents whose leadership and support make it possible for the hospital to provide these ministries.

ORDINATION ADVISORY COUNCIL

The Ordination Advisory Council, on request, has examined and recommended that three candidates be ordained for the Gospel Ministry.

The Mud Creek Baptist Church of Hendersonville, N.C. requested the Council to examine William C. Valentine.

Calvary Baptist Church of Wilmington requested that the Council examine Donald Hughes.

Winter Park Baptist Church of Wilmington requested that the Council examine Doris Walters.

The candidates were examined on their religious experience, conversion, call to the ministry, doctrines, education plans, attitude toward the Association, the Baptist State Convention of North Carolina, the Cooperative Program and his cooperation with other churches.

The members of the Council have performed their work in a serious manner to insure the purity of our doctrines, to strengthen the fellowship between Baptist Churches, and to let the candidates know what is expected of them as pastors of Baptist Churches. God continues to call men to the Gospel ministry; and, as long as He does, we have the responsibility, and privilege to guide and encourage them in this work.

The Council voted to recommend that each of the churches proceed with the ordination of the candidates. It is a pleasure to have a part in this all important task of assisting men to fulfill God's will in their lives.

Respectfully submitted,

Harvey Whaley, Chairman

RESORT MISSIONS

The beaches in the Wilmington Baptist Association area are a big attraction to all ages and classes of people. Our beaches attract vacationing families anytime the kids are out of school, college students on break, singles, retirees running to the sun, and sports enthusiants enjoying tennis, golf, swimming, surfing, sailing, boating or fishing. In our ocean resort area are people, hundreds of thousands of people from every walk of life; everyone comes to the beach resort, rich and poor alike. We have the "awesome" responsibility and the joy of ministering to this mixture of cultures and diversity of backgrounds.

In order to accomplish our task, we provide four beach areas with seven Resort Missionaries to help encourage the local people to minister to all these people. We believe the ministry should be healthily anchored in the local church. The following is a list of those churches, missionaries, and ministries.

1. Carolina Beach First Baptist
   Pastor: Jerry V. Beck
   Resort Missionary: Vance Midgett, Wilmington, North Carolina
   The ministry consisted of puppet shows at the Jubilee Park and clowning before crowds totaling over 10,000 people on Friday, Saturday and Sunday evenings. Worship Services were conducted at the KOA Campground with an average attendance of 12 and at the Jubilee Park with an average attendance of 24. Six Backyard Bible Clubs were conducted by two youth groups from Cleveland, Tennessee and Roanoke, Virginia.

2. Kure Beach First Baptist Church
   Pastor: Jack Land
   Resort Missionary: Ed Pierce, Wilmington, North Carolina
   Dramas were conducted on a vacant lot next to the Seven Seas Motel during the summer. The Team had 34 shows of drama such as "The Prodigal Daughter", "The Precious Gift" and "The Offering". Along with the dramas, the group had fun with clowning and "live" music before crowds totaling over 2,500 people. During the summer, four outside groups conducted Backyard Bible Clubs and related ministries. Also, a Beach Candle Light Service was a beautiful sight on the Beach.

3. Surf City Baptist Church
   Pastor: Donald K. Horn
   Missionaries: Janice Druetzler - Calumet City, Illinois
   Tamara Winstead - Clay, Kentucky
   The ministry consisted of a puppet team called "The Salt Shakers" directed by Tamara and a clown ministry directed by Jan. We regret that Jan had to return to her home in Illinois at the end of June because of physical illness. "The Salt Shakers" conducted 37 shows before crowds totaling over 5,000 people in three campgrounds and at two fishing piers. The shows were held on Thursday, Friday and Saturday evenings. The clowning team led in fun and music between the shows.

   Worship Services were conducted at the Surf City Family Campground for 617 people with an average attendance of 15. The offering in the campground totaled $ 173.77. Mr. Mel Johnsen, Jr., Outreach Director, did the preaching each Sunday.

During the month of July, groups from the First Baptist Church, Athens, Alabama, and Killian Baptist Church, Columbia, South Carolina, along with Surf City Church, conducted nine Backyard Bible Clubs with an enrollment of all clubs of 292. These groups also did puppets and singing at the piers and in the campgrounds during the evenings.

4. Wrightsville Beach Baptist Church
Pastor: Danny Hawkins
Resort Missionary: Beverly Johnson, Wilmington, North Carolina
The ministry consisted of working with the youth of the church in Bible Studies on Wednesday evening and social activities during the week. A youth group from the First Baptist Church, MacClenny, Florida, conducted two Backyard Bible Clubs with a total of 20 pupils. During the evening, the group performed two musical concerts at a shopping center before an approximate crowd of 1,000 people.

5. Rogers Bay KOA Campground Ministry
Resort Missionaries: Harley and Juanita Crosby
Harley and his wife served as the chaplain of the campground from Easter Sunday through Labor Day. Harley conducted Morning Worship each Sunday for 769 people with an average attendance of 33. The offering totaled $ 415.99. Harley made over 3,050 contacts, counseled with 53 people, and shared with 22 + people through evangelism in a personal way.

Harley and Juanita also provided recreation, camp craft, movies, and ministry groups from many churches. One important ministry was to the staff who worked at the campground.

As you can tell, a lot went on during the summer. We ministered to at least 53,723 people not even counting those who passed by on the other side, nor the people who attended worship services in our beach churches.

Our request for 1984 isa US-2 worker for resort ministry on our beaches. This person's responsibility will be to help coordinate beach ministry, help enlist, train, and supervise college age students which our association hires each year. This person will also help us to find other means of ministry in our resort area.

We close this year by encouraging more of our churches and youth to become a volunteer for Resort Missions in this local area. We need to minister here. God has given us this area and it becomes our responsibility.

Respectfully submitted,

Donald Horn, Chairman.

D. The above A, B, C, must be forwarded in writing to the chairman of the Ordination Advisory Committee (see latest Annual Minutes) at least two (2) week before an examining date can be set or announced.

E. After the examination of the candidate, the council will vote on whether to recommend ordination of the candidate on the basis of the questioning and notify the church in writing of the decision.

F. The Ordination Advisory Committee strongly advises each church upon ordination of a person to the Gospel Ministry to designate at least two persons to be assigned as watch care persons for the newly ordained person. The purpose is to keep a continual communication with the person being ordained and to report to the congregation yearly as to location of ministry, type of ministry, good things happening in the life of the ministry, etc. These persons should also inform the congregation of the moral and other activities of the minister so that the ordaining congregation can take appropriate action if there is a need.

It is the desire of the Ordination Advisory Council of the association to help the local church in the examining process and to advise the church of a process of ordination as well as of the congregation's responsibility to the person ordained and to the 36,000 Southern Baptist Churches in the United States who call pastors to serve congregations that have been ordained by sister churches.

The Ordination Advisory Council of the Wilmington Baptist Association will use the following guidelines for questioning the candidates:

1. The nature and work of God
   Father
   Son
   Holy Spirit

2. The Doctrineof Sin
   cause
   effect

A major concern of Campus Ministry relates to funding as support from some of our denominational sources is diminishing rather than increasing. UCCM will have to come to terms with this in the immediate future.

YOUTH

The fall Youth Retreat at Caswell was a success with 175 youth and counselors attending representing 8 churches.

The youth participated in the Greater Cape Fear Crusade for Christ by distributing thousands of the Crusade Chronicles to homes in the geographical area of the association. Youth night was a tremendous success as several hundred youth met at the coliseum to be sent out into the homes of their friends to bring in youth for the services. Several cars came back loaded with excited young persons. Many gave their hearts to Christ while the altar was filled with youth and adults making re-commitments to Christ.

The Youth Mission Project was for World Hunger. 200 youth participated in a slide-a-thon for Hunger. Over $1,000 was pledged to be sent to the Foreign Mission World Hunger Program.

A special training for Youth Workers and Key Youth was conducted at Murray Memorial Baptist Church. Professional Youth Ministers of the Association provided the leadership for the 50 who participated in the learning event.

WILMINGTON LITERACY COUNCIL

The numerous calls for help by persons wanting to learn to read and from internationals requesting conversational English is a continuous reminder of the importance of Literacy Missions.

We rejoice for the faithful tutors that have been tutoring this past year. Our annual report shows there have been 59 tutors of English speaking students tutoring 62; 16 ESOL tutors tutoring 54 internationals. Many calls for help have not been answered because we have not had a tutor-student coordinator to do the necessary telephoning for placement of students with a tutor. Also, there is always a need for more tutors.

Please pray that someone will respond to the call to serve as coordinator. 18 ESOL tutors were trained in two workshops, 23 tutors were trained for English Speaking students in 3 workshops.

Two workshops were conducted outside of the association as an extension of the work of Wilmington Literacy Council; one in New River Association and one in Columbus Association by Sally Lennon and Joe Carpenter.

The North Carolina Baptist Literacy Retreat at Caraway in October was a time of spiritual renewal for Sally Lennon and Tammy Herring as we heard testimonies of how God moves through Literacy Missions.

The April Tutor Appreciation Roundup at Lake Forest Baptist Church was well received by more than fifty persons attending. A special note of "thanks" to the ladies of Lake Forest for their hospitality which included the preparation of a delicious meal.

The Wilmington Literacy Council display in the Health Fair at Greenfield Park in June resulted in enlisting 2 new tutors. Thanks to Joe Carpenter for setting up and manning the display in the 90 degree heat.

Attending the 10 day Literacy Missions Conference at Sanford University in Birmingham, AL was the highlight of the summer for Sally Lennon as she participated in workshops and seminars led by Southern Baptist Convention leaders Mildred B. Blankenship, Lillian I. Isaacs, and Lester M. Meriweather. Other seminars were led by highly qualified university professors in the field of linquistics. Praise the Lord for the Cooperative Program which made the conference possible.

This has been a good year for the Conversation English Class sponsored by the Baptist Women of Winter Park Baptist Church and Wilmington Baptist Association. The enrollment was 43 from 24 countries with an average attendance of 21 students and 6 tutors. A Sunday Morning class was begun in March in which the text book is the book of Luke. Attendance has been small. The most faithful students being a Japanese couple whose children attend their regular age level Sunday School classes.

Praise the Lord for every person involved in Literacy Missions as they continue to show the love of Jesus through this ministry. Please continue to pray for Literacy Missions.

Sally Lennon, Director

WOMAN'S MISSIONARY UNION

Our WMU Theme for the year 1982-83 was "Life Changing Accountability". Our watchword "For God has made us what we are, created in Christ Jesus to do the good deeds which he has planned for us to do. Eph.2:10". In our year's activities, we have sought to stress the importance of doing for others as Christ would have us do - many have made life changing commitments realizing we are accountable to God for the way we use what he has so freely given us. Our leadership conferences were well attended, each being taught by capable associational directors and their assistants.

Our annual meeting at Pine Valley was a great success - started with a recognition supper for the pastors and their wives. We had pastors or assistants from 35 churches. Our attendance was around 500. Missionary Ray Rogers challenged us as he spoke of his work in Indonesia.

Each age level organization had associational activities during the year. The Baptist Women had a full house when they had a first "Baptist Woman of the Year from Your Church". The outstanding Baptist Woman from each church was presented a BW pin climaxed by Suthell Walker, Baptist Women's Director of North Carolina, bringing the thoughts for the evening.

Each church made challenging goals for our mission offerings - Lottie Moon, Annie Armstrong and North Carolina State Missions offerings. Weeks of prayer were held for each of these and Foreign and Home Missions studies were held. Several of our ladies were trained and went into many churches teaching the Foreign Mission Study - "Urban Witness in Asia" and our Home Mission Study - "Church Extension".

Our association made the distinguished grade for the year according to SBC plans.

As we give our time, talents, finances and self to missions, we become "Laborers Together with God" helping to do our part in Southern Baptist's Bold Mission Plans.

In His Service,

Everlena Raper, Director

ORDINATION ADVISORY COUNCIL

The following guidelines are for the purpose of enabling the Ordination Advisory Council of the Wilmington Baptist Association to assist a church in the examining of a candidate for the Gospel Ministry.

Ordination into the Baptist Ministry concerns both the church which ordains and her sister churches because a candidate ordained by one church will presumably serve other churches and enjoy the public recognition afforded Baptist Ministers.

It is to be clearly understood, however, that the ordaining church is only seeking the advice and counsel of her sister churches through the Ordination Advisory Committee and that the ordaining church remains the sole authority in determining whether a candidate is to be ordained.

The Ordination Advisory Council does not examine any person who has not received a specific call to a specific ministry.

The function of the Ordination Advisory Council is to examine those persons who have received a specific call to a specific work.

The following guidelines are to be used by any church of the Wilmington Baptist Association wishing to use the Ordination Advisory Council to examine a candidate for ordination:

1. The candidate should present himself to the church testifying to the fact that God has called him to the Gospel Ministry.

2. The candidate first must be licensed for a period of time before he appears before the council for examination so that the church may observe his gifts in the work of the ministry.

3. When the church is satisfied that the candidate is ready for ordination:

   A. The church votes to recommend the candidate to the Council for examination. (Record vote on proper form).

   B. The church is expected to make a thorough study of the candidate's moral, ethical, educational, and religious background.

   C. The candidate must write out the following data:
      A biographical sketch, his conversion experience, his call to the ministry and why he is seeking ordination to the Gospel Ministry as a Southern Baptist.

D. The above A, B, C, must be forwarded in writing to the chairman of the Ordination Advisory Committee (see latest Annual Minutes) at least two (2) week before an examining date can be set or announced.

E. After the examination of the candidate, the council will vote on whether to recommend ordination of the candidate on the basis of the questioning and notify the church in writing of the decision.

F. The Ordination Advisory Committee strongly advises each church upon ordination of a person to the Gospel Ministry to designate at least two persons to be assigned as watch care persons for the newly ordained person. The purpose is to keep a continual communication with the person being ordained and to report to the congregation yearly as to location of ministry, type of ministry, good things happening in the life of the ministry, etc. These persons should also inform the congregation of the moral and other activities of the minister so that the ordaining congregation can take appropriate action if there is a need.

It is the desire of the Ordination Advisory Council of the association to help the local church in the examining process and to advise the church of a process of ordination as well as of the congregation's responsibility to the person ordained and to the 36,000 Southern Baptist Churches in the United States who call pastors to serve congregations that have been ordained by sister churches.

The Ordination Advisory Council of the Wilmington Baptist Association will use the following guidelines for questioning the candidates:

1. The nature and work of God
   Father
   Son
   Holy Spirit

2. The Doctrineof Sin
   cause
   effect

3. The Doctrine of Man

ASSOCIATIONAL EXECUTIVE COMMITTEE MINUTES

The Executive Committee of the Wilmington Baptist Association met Tuesday, July 26, 1983, at Wrightsville Beach Church prior to the General Board Meeting.

The Moderator, A. R. Potter, presided with Tom Pitts leading in prayer.

Harvey Whaley, Chairman of the Ordination Advisory Council, presented the following matter:

1. The churches are planning ordination services before the Ordination Advisory Council meets.
2. The Ordination Advisory Council feels that the procedural guidelines to the constitution are too general and therefore, we recommend that a study committee be appointed to draft a policy statement and procedural guidelines for the Associational Ordination Advisory Council to follow. We realize this would involve a constitutional change.

"On behalf of the Associational Ordination Advisory Council, I move that our moderator appoint a study committee for the purpose of drafting a statement of policy and procedural guidelines for the Associational Ordination Council to follow."

The motion was seconded, discussed, and approved.

Herb McCarthy, Chairman of the Video Task Force Committee, shared the work of the committee on education of self on ACTS and TelNet, and the cost to bring ACTS to the area. He previewed the recommendations to be made at the General Board with pertinent information on the availability for cable service, and how some funds can be derived.

Ralph Holt, Chairman of the Christian Social Ministries Committee, shared information on the study of hiring a full-time chaplain at the Pender County Prison Unit, jointly financed by several groups.

He made a motion that Wilmington Baptist Association contribute $300 from Christian Social Ministries funds in next year's budget to underwrite the Chaplaincy Program.

The motion was seconded by Vincent Wall, discussed, and approved.

David Stewart of the Stewardship Committee presented the Budget Section for information.

Bobby Stafford, Director of Missions, noted David Ratliff is the new chaplain at the Seamen's Center. In order to be covered in Southern Baptist Convention Annuity, he would need to be sponsored by a church or agency. The Center will pay 10% of the salary for retirement, with Wilmington Baptist Association sending the money.

A motion was made to approve David Ratliff as Wilmington Baptist Association Minister of Outreach, placed at the Seamen's Service Center. The motion was seconded and approved.

The Executive Committee adjourned to the General Board Meeting.

Respectfully submitted,

Ottis King, Clerk

1. DEACONS

Part 2 - bring Howard Silver for a series on how a person can get in touch with self and the community.

The vision for the year is to strengthen families, especially on the High School, College, and Career Level. Premarital guidance and ministry to these age levels is to be emphasized.

New Work - There needs to be an awareness to minister to the impaired and handicapped. A black congregation is interested in participation in the Association.

Developing Believers - The communities of each county need to stay aware of plans and decisions of governmental bodies and help them in their work.

2. EVANGELISM

March; 1986, is the time of SBC SIMULTANEOUS REVIVAL.

Produce a Bible Conference in 1983-1984 of three days duration.

3. STEWARDSHIP

Bring Talmage Williams to the Association

Each church should have a Stewardship Chairman to keep the people informed and then trained.

Lack of Stewardship is a Spiritual problem.

People need to understand the Biblical concept of Stewardship.

(Something was said about the January 17 General Board meeting and the Associational Stewardship Committee.)

4. MEDIA

Equipment could be taken to the Pastors' Conference and demonstrated.

Someone in each church needs to be trained to use the equipment.

Teachers and Department Heads need to be aware of available equipment.

The Media could be a resource library.

5. ACTS

The Pastors' Conference and Executive Committee have endorsed this. This is a Christian TV media using Cable TV.

On TelNet, one church could set up the program and be used for a model, with the possibility of an incentive going to the first church to comply.

MINISTERIAL EDUCATION

Pastors and Pastors' Conference.

There needs to be established a fresh enthusiasm for pastor/church relationship. State help could be used to develop the relationship on a State and Associational level. Seminar training could make it appealing.

Thrust

Continue plans and programs using speakers from within the Association, and create an inner circle to tie people closer together.

Seminary Extension

Have two or three locations. Work to kick off work in October and later begin the program, building courses as the program proceeds. There needs to be one for General Baptists, focusing on lay persons.

The Key Leadership Conference will be changed to the General Board Meetings.

April 2-3, 1984, is the joint book study for WMU, Sunday School, Church Training, and Brotherhood.

Provide WMU-Brotherhood joint training.

Children can be trained to function on mission as a family.

Conference with Mission Friends leaders and BYW.

The goals are to grow.

ASSIST

Work to train all those interested.

Much training can be done during the Church Training Hour.

POSSIBLE PROCEDURES FOR 1983-1984

I. Action Ministries

Continue the program of Korean and Hispanic Ministry. Instruct the Missions Committee to find a place for the Praxis Students to serve (purpose to start new churches). We need to do whatever we can about the Saint Paul's situation to the point of helping them raise the approximately $6,000 and helping them any way we can to become a part of the S.B.C. if and when they decide that is what they want.

We need to do what we can to help our churches see the need of financially helping the Seamen's Service Center keep a full-time Director. March is focus month for them.

We need to keep constantly in touch with the ministry of the United Christian Campus Ministry through our committee as their ministry expands.

Bible Teaching in the Public Schools need financial help from our churches so I suggest we charge our churches with the responsibility of helping out. January is probably the best month for a focus.

I suggest we ask the W.M.U. to sponsor fund raising programs in the local churches on Mother's Day as the ones done this year in order to insure continued ministry of the program. Mother's Day is in May (for the Women's Shelter).

I suggest we move forward with a US-2 Worker for this coming September to work in Resort Missions as an administrator of the program and as a catalyst between Mission needs and the local church.

II. Communication to the Churches

I think we should commend the Bear Branch Baptist Church through a letter from this group which would congratulate them for doing a great work.

III. Communication with the Executive Committee

I have written a personal letter to each elected chairperson for next year. We must have more participation to move forward.

IV. Programs of the Association

I suggest we examine our thrust to determine the need to calling at least a part-time Director of Church Development who could have the responsibility for the five major church programs plus Media or Library and Evangelism.

V. Personnel

I suggest that after determining our secretarial load, we inform the personnel committee of our needs, come up with a job description and a limit of hours to take care of some of the stress on our secretarial staff.

VI. Recommendations for General Board Meetings

Begin the meeting at 7:15 P.M. sharp. Use the first 30 minutes for only business excluding special music or special speakers or reports.

Use the next 105 minutes for training sessions for various programs since these people are present anyway. All other persons attending who are not a part of a special program committee should be directed to the various program meetings to learn of that particular ministry of the church. Conclude all meetings at 9:30 P.M.

Purpose: To get the business of the association done as well as do some training and not call the people out for an extra night. This would eliminate the yearly Key Leadership Conference.

EXECUTIVE COMMITTEE MINUTES

October 17, 1983

The Moderator, A. R. Potter, presided with Tom Pitts leading in prayer.

The Director of Missions, Bobby Stafford, presented several items for consideration.

(4) Long Range Planning needs action.
(5) Certificates will be given to the churches doubling Associational giving, baptisms, Cooperative Program giving, and over-all giving to churches.

Ralph Holt brought to our attention the need to use care in scheduling meetings in our churches so as not to conflict with Associational scheduled meetings.

The body then adjourned to the Annual Session in the sanctuary of Lake Forest Baptist Church.

Respectfully submitted,

Herb McCarthy - Video Task Force Telecommunications
The work of the Committee was reviewed with the following report:

"We, the Video Communications Committee after having made considerable study of the benefits and advantages of our bringing to our Association the Southern Baptist Convention ACTS Broadcasting Channel, make the following recommendations:

a. That we actively pursue with all due diligence in bringing to our Association the ACTS Broadcasting Channel with the recommended schedule of the Southern Baptist Convention.
b. The cost of establishing an ACTS Channel for any particular area will be approximately $14,000-$15,000. No existing funds are allocated for this ministry and since the need and potential is so great, we recommend that all monies derived from the sale of the property on Wellington Avenue be designated for this purpose, and that the action taken in July of 1982 by the General Board concerning the disposition of these funds be rescinded.
c. That the Video Communications Committee cause other meetings to be held and the procedures, as recommended by the Southern Baptist Convention, be followed thereafter."

Herb McCarthy - Chairman
Dwight Lindley
Ottis King
Barbara King
Becky Brady
Bill Smith

The motion was seconded, upon which Mr. McCarthy spoke to the motion. Following discussion, the question was called. The vote on the question was approved. Then the vote on the motion was taken, and the motion was approved.

The matter on a Chaplaincy Program at Pender County Prison Unit was presented by Ralph Holt. See minutes of the Executive Committee, July 26, 1983. This was also approved by the General Board.

The Moderator noted the time of the Annual Session.

Lamar Brooks dismissed in prayer.

Respectfully submitted,
